

December 2019

Dear Friends,

God's blessing continues to be upon our lives and ministry. I am always amazed at what the Lord is able to do as we follow Him. We have had over 60 outreach lunches for law enforcement officers this past year. Over 700 officers have heard the gospel and those who are believers have been encouraged in their faith. God is allowing us to expand our ministry in the USA and we are planning mission trips to Latin America next year.

God is working in hearts and the Lord has given us favor with these officers. It is a great joy to see them thank us each time for ministering to them and showing them love by offering them free meals.

We started an outreach to the Denver Police in June with this small group of officers and some of our staff.

We started out with a small group in Denver but in November we had 20 at our lunch. As we have continued to see growth, we are grateful for what God is doing. He is faithful and powerful and can accomplish whatever He pleases.

We now have 5 outreaches each month in Colorado as well as our outreach breakfast in New Jersey. God has burdened my heart to begin other outreaches in the USA. I will travel to Chicago in March to contact police officers in that city. Please pray with me that God will open these doors and give us an effective ministry to law enforcement officers in the

USA.

We continue to be invited to work in Latin America with the police. I am planning 3 trips to Latin America next year.

We have a great staff of active and retired law enforcement officers and their spouses. I am grateful to be able to work with these faithful followers of Jesus. Together we are working to fulfill the Great Commission by preaching the gospel and making disciples. May God bless you this Christmas season and trust that 2020 will be a great year for you and your family.

Sincerely,

Randy Green
