

## Welcome

Your wedding is a very important occasion. By choosing a Christian wedding service you have elected to celebrate God's goodness to you in a service of worship. These guidelines are intended to help you plan an appropriate wedding service as well as inform you of our policies at First Lutheran Church.

## Scheduling Your Wedding

Before making any plans...

- Call the church office to ensure the date you have in mind is open on the church calendar as well as the pastor's calendar.
- It is the policy of this church that one of the congregation's pastors, or an ELCA Lutheran minister approved by our pastors, participate in any wedding held at First Lutheran Church. If you desire the participation of another minister, please discuss this with First Lutheran's pastors.
- Non-member weddings will not be scheduled more than six months in advance. "Members," in this case, are those who have been active members at least one year in advance of their wedding date (or are children of active members).
- Your wedding date will be placed on the church calendar after it has been approved by one of our pastors and the completed *Wedding Information Form* has been received by the church. Non-members must also have paid their reservation fee (see page 3 for fees and payments).
- When your wedding date is added to the church calendar, you will need to arrange an appointment for your initial pre-marital counseling session with the presiding minister.

## Music

The music at your wedding adds much to the beauty and sanctity of the service. As with any service of worship, the music should give glory to God and should reflect Christian beliefs. We should never confuse the perfectly fine and proper music that you may want to use at your wedding reception with the sacred music that you may choose to include in the wedding service itself.

- If you choose to use our organist, you should contact him/her to make arrangements as soon as you schedule your wedding with the church. He/she will meet with you to assist you in the selection of music. Only our church organist plays for weddings at First Lutheran unless otherwise approved by the organist and one of our pastors.
- Requests for the use of recorded music on CD and the appropriate sound equipment are to be noted on the *Wedding Information Form*. A sound technician will be provided.

### Unity Candle

- You are welcome to use a unity candle for your ceremony. The central candle, the two side candles, and the holders are provided by the wedding couple.

•

### Flowers/Florist

- Only live flowers may be placed on the altar. Flowers may be delivered Friday morning from 9:00am – noon. The flowers need to be identified for the wedding.
- If you wish to have a white runner, it needs to be obtained from a florist and should be 75 feet in length. There are 18 rows of pews down each side of the nave aisle if you wish to decorate them. The nave aisle is 5 feet wide.

### Photography

- No flash pictures are permitted after the processional. Please notify your guests and photographer of this policy.
- Video cameras are permitted only in the balcony.

### Bulletins

- If bulletins are desired, the design and printing are the responsibility of the bride and groom.

### Marriage License

- The marriage license must be brought to the rehearsal.

### Leave Something?

Items left in the church after the wedding will be kept for two weeks.

## Fees

The wedding couple should understand that they are not “renting the building” for a wedding. Rather, the church is agreeing to offer a marriage ritual according to First Lutheran’s religious traditions.

	<u>Member Fees</u>	<u>Non-Member Fees</u>
Pastor:	\$125	\$175
Organist:	\$125	\$175
Building Manager:	\$125	\$175

- Individual checks, due on the day of the rehearsal, are to be made payable to the pastor, organist, and building manager.

*In addition, **for non-members only, a fee of \$350** made payable to “First Lutheran Church” is due upon reservation of the wedding date. This reservation / church usage fee will not be refunded.*

## Use of the church

- The church building will be open two hours before the service (prelude music) and two hours after the service.
- Altar paraments (hangings) are not to be changed
- No decorations may be placed in the chancel area (the area in front of the pews). All decorations must be approved by the Pastor and in place prior to the start of the rehearsal. .
- Care is to be exercised so that there is no damage to the church building or furnishings with the placing of decorations. Please check with the Building Manager for guidance.
- All vehicles need to be removed from the church parking lot by 7:00 am Sunday morning.

Unfortunately there are a few items not allowed in the church. They include, but are not limited to, the following:

- The use of tobacco products or alcoholic beverages in or around the church;
- Thrown rice, confetti, or birdseed in or around the church; artificial flowers thrown outside the church; body glitter;
- Food in the worship area.

Benefits the church offers to make your wedding easier:

- A beautiful lounge for the bride’s attendants and a comfortable room for the groomsmen.
