Subject: Re: Minnesota MGM Bill Proposal

Dear Brianna,

Thanks for your email regarding the MGM Bill.

Unfortunately, I cannot support or sponsor this bill. As an Ordained Minister, I have strong feelings about certain social issues like abortion and gay marriage. However, in this case I do believe that the decision of circumcision should be made by the parents. Until that child is 18 years of age, he/she does not have the same rights as an adult. We allow the parents to make decisions concerning the well being of their children in many other areas and to pass this bill would only open up a proverbial can of worms.

Respectfully,

Mike
