

Boat Launch Sticker

Our Boat Launch is arguably the greatest access to Lake Houston for Miles around. It is completely bullheaded with 3 walk piers. It has a concrete ramp that protrudes almost halfway into the channel

To use the boat launch, members must follow these guidelines:

- ◆ Maintain a clear maintenance account (fees, dues, fines etc.)
- ◆ Pay a yearly Boat Launch Sticker Fee
- ◆ Report any damage to Boat Ramp or Parking area immediately to our maintenance director

Note:

Your Boat Launch Sticker requests are correlated to your Maintenance account. If you are a Homeowner applying for a Boat Launch Sticker and you are in arrears regarding your Maintenance Fees or any other unpaid dues, your request for a Boat Launch Sticker will be denied!

If you have previously applied for and have been granted a Boat Launch Sticker the previous year, your Maintenance Account will automatically be charged \$30.00 each year until you notify the Lake Shadows Civic Association by phone or email to terminate your Boat Launch Sticker account. You will receive the renewal application for your recurring Sticker with your yearly Maintenance Fee statement mail out.

Warning!

If you cannot provide proof of residency in Lake Shadows, or DO NOT LIVE in Lake Shadows, or do not have a Boat Launch Sticker and are a resident of Lake Shadows, you are NOT Authorized to use the Boat Launch or Parking Area. Violators will immediately have vehicles towed and be responsible for any legal recourse that may apply to the violation. No Exceptions !
