

Vermont

**green mountains
blue skies
the happiest cows come from
Vermont dairies**

**be good to the earth
be good to yourself
have some
Ben and Jerry's**

**headed to Vermont
Ryder's packed**

**Burlington and Bread and Puppet
Montpelier and Stowe**

**good citizens
a politic of decency**

**Howard Dean and Bernie Sanders
integrity for all**

**icicle eyebrows
a Tucker in Hardwick
picking wild berries**

**indoor track
at UVM
Kochalka fairies**

**30 below
if that's your bag**

**Autumn splendor Winter wonder-
land until you freeze**

**snow from October to May
so I headed back
to the South Bay**

**Spring and Summer
more mosquitoes
than you have ever seen**

**ice versus man
and ice always wins
best be wary**

**thirty-six stitches
and totaled the Saab
skipped the cemetery**
