

Dynamic Perception
Dance Company

Welcome to your **FIRST DAY OF DANCE!**

Welcome to Dynamic Perception Dance Company! We are thrilled that you have chosen to join our DPDC family. DPDC believes that every child will thrive with the right encouragement, structure, positivity, & love.

Before you Arrive: Now that you've signed up its time to get your dance attire & footwear! All of the dance attire and footwear required for any class is available for purchase at DPDC. If we do not have a size in stock, we will order it in for you by the next week. Please take a moment to check out the required attire tab under class information on our website.

Arrival at DPDC: Upon arrival to the studio you are welcome to make yourselves comfortable in our front lobby, which is to the left by the front desk, or in our dancers lounge to the right. DPDC has complimentary coffee for all our parents & guardians in the front lobby. Dancers should change into their appropriate dance shoes and wait outside of the studio that they will be dancing in. Preschool Ballet/Tap will change into their ballet shoes first and take their tap shoes with them.

Water/Snacks: DPDC has water and snacks available for purchase next to the front desk for \$1.00. There is not a water fountain on site at the studio, so we recommend bringing your own water bottle, or purchasing some from us if you need.

During Class: An observation window is provided in both Studio 1 & Studio 2 for you to view your dancer while they are in class. These windows work best when the lights are turned out and you stand a few feet away from the window.

After Class: When your dancer has completed their first class make sure you stop at the front desk for a welcome packet and a treat for your dancer!

Communication: All sources of communication should be done through the front office during business hours. Monday-Thursday 4:00-8:00 and Friday 4:00-6:00.
