

Team Parent Key Information

Insurance Information: Every person should have received a copy regarding Little League Insurance at registration. Please keep a copy for yourself. In the case of an injury, it should be reported to your coach and the league within 24 hours. If there are any further questions, please direct them to the CDO LL website at cdolittleleague.org or contact David Young, Safety Office for CDO Little League. He can be reached at dyoung8297@gmail.com

Volunteer Forms: All parents who help in the dugout or on the field (on a regular basis) MUST fill out a Little League Volunteer Application. Please have the appropriate people complete the forms and return them to Heidi Tarbet as soon as possible. 3 forms are enclosed, if you need more, they can be downloaded off the CDO LL website. (Manager and Coaches are already on file)

Opening Ceremonies: Friday March 24th @ 6PM. Players should be in FULL uniform and report to field 5 no later than 5:30 for the team parade. Special Opening Ceremonies dinners are offered through the snack bar. Enclosed are order forms. Please make sure player's families are aware of this offered event. (It's always a fun time to stay and watch the Majors play!)

Little League Patches: Patches will be given at the same time of distribution of uniforms. All patches should be SEWN on the left sleeve approximately 1" down from the top seam. All players should have the patch on their uniforms by the 2nd week of game play.

Snack Bar: CDO Little League is very proud of our snack bar. Please encourage your team families to take advantage of the wonderful and convenient amenity offered by CDO LL. If your team participates in "an end of game snack", please see our snack bar for team specials.

League Team Roster: Enclosed is a blank team roster, please fill out and keep on file for your team.

Picture Day: Picture day is Saturday March 25 starting at 11 AM. Packets will be distributed closer to the date or with uniform distribution.

Tournament (AAA, American & Majors only): Please let your families know there will be a tournament after regular season games have been played. The tournament will end by March 31.

Code of Conduct/Parent Rules of Conduct: Please read thoroughly. Be sure the families are aware of conduct rules. Keep this copy for yourself; if additional copies are needed, they are available on the CDO LL website.

Dugout Rules: Please NO FOOD in the dugouts. All drinks with lids please. Clean up all trash after each game. Players are to remain in the dugout during the game. No siblings or younger children allowed in the dugout during games.

Dugout Parent: The younger players (T-ball and A ball) most definitely benefit from having a parent in the dugout. This is a great help to the coaches, keeps the kids in order and helps to keep the game moving along. Please feel free as Team Parent to take Dugout Duty, ask for help or assign people to help. Remember that all who help in the dugout should fill out a Volunteer Application.

Coupons: If you would like to get coupons for your team, feel free to go to Dick's and Big 5 and ask for a coupon booklet. They are FREE and easy to receive at the customer service desk.

Contact: Please send your contact information (name, email address, team name, team manager) to melanibyernes@comcast.net

Once again.....THANK YOU, your help is greatly appreciated!
