How does the program work?

Creating positive experiences early, for all athletes, will keep more players engaged and retained in our sport. Introducing the right aspects of play in a structure that is fun, engaging, and progressively challenging allows golfers of all ages to experience the challenges and joys of golf for a lifetime.

PROGRESSING JUNIORS TOWARDS PAR OR BETTER ON AND OFF THE COURSE

The Roseville Golf Academy Junior Players Program uses the PGA Coach (ADM) Athletic Development Model framework to structure our program. It consists of Coaching, Playing, and Training programs. It is designed to teach golfers to play the game from a hole out perspective. Each golfer will be assessed and issued a playing yardage that is designed to set appropriate objectives and challenge each student towards shooting par or better (score of 36) for 9 holes. As golfers achieve their scoring goals they progress back in yardage.

ACADEMY CLASSES

LEARN THE GAME

Juniors will learn the game in a weekly group class where our coach will progress students through the PGA Coach curriculum. Juniors will be taught age appropriate instruction, rules as well as etiquette of golf, and have weekly skills competitions that promote fun learning.

PLAYERS MATCHES

TEST YOUR SKILLS

The Junior Players Matches challenge golfers to shoot the score of 36 for 9 holes from 6 different yardage divisions on the course. When scoring goals are reached Juniors move back in yardage to track and see their progress.
