Beginning Ballet: Learn basic modern ballet technique, which will give you the fundamental skills that will help you learn any type of dance. **(For new students or no experience. MUST be 5 BEFORE Feb. 1st!)**

Ballet Levels 1-9: Students will have taken ballet with Above The Clouds before and have been placed in a class per the teacher.

Drama: Students learn voice projection, use of body as well as develop & build confidence in their presentational skills

Beginner Hip Hop: Hip hop is much more than a way of moving to hip hop music...it is a way of life. Students will learn that Hip hop is a lifestyle that includes its own language, music, and style of dance.

Advanced Hip Hop: Hip hop with more advanced moves and skills from the above. **Your student must have taken beginner hip hop and be placed into this class.**

Martial Arts: This is a continuing program where students learn respect, discipline, safety, integrity, and self-confidence with Christ at the center. There are opportunities for promotion to different levels.

Modern Dance: In this class you will use your classical ballet technique, strength, and discipline to perform modern styled interpretive choreography. **This is a class for students who are currently in Ballet Level 4+.**

❖ **Our Mission:** To provide free, faith based, arts education and training to young people, ages 5-17, who lack fine arts exposure and access.

Volunteering

Above The Clouds thrives on parents volunteering throughout each session. There are many ways to help and those that help will be given first opportunity to go on field trips when they do arise. If you choose not to volunteer it does not mean that you will never be able to go on field trips, it just means you will only get the opportunity if there are extra tickets.
