**FRIENDLY REMINDER:** Before planting season begins we'd like to remind residents not to plant crops in the road right-of-way. The right-of-way is most generally 33 feet from the center of any road or highway and any crops planted in the right-of-way would be violation of Minnesota Statute 160.2715. If you have questions, please contact us before you plant.

**DUSTCOATING:** Residents may sign-up for dust coating at the Town Hall on Wednesday, April 19<sup>th</sup> from 6:00pm – 8:00pm and on Saturday, April 22<sup>nd</sup> from 9:00 am – 12:00pm. If you prefer, you may mail a check payable to Marysville Township to the Town Hall; just call to confirm the cost and make sure your address and the number of feet to dustcoat are included on your check. Don't forget to mark the area with stakes. The cost will again be \$60 per 100 feet.

**BURNING PERMITS:** The most convenient way to get a burning permit is to go online to [https://webapps8.dnr.state.mn.us/burning\\_permits/](https://webapps8.dnr.state.mn.us/burning_permits/), create an account and activate the permit when you want to burn. Any restrictions are noted on the permit. There is an annual fee of \$5.00 and it's so convenient! Permits can also be obtained by contacting Mark Karels in Waverly at 763-658-4662, Mike Marketon in Montrose at 763-675-3371, Maple Lake City Hall at 320-963-3611 or Mark Lauer in Buffalo at 763-682-4441.

**ELECTIONS:** Marysville Township held its election for 3year term for Supervisor on March 14<sup>th</sup>, 2017. Joe Hickman was elected with 23 votes.

**BUILDING PERMITS:** Contact the Wright County Planning & Zoning at 763-682-7338 before beginning your construction project to get any required permits.

**ANNUAL MEETING/LEVY:** The Annual Meeting was held immediately following the closing of the election polls on March 14<sup>th</sup>. This meeting was conducted by an appointed moderator, Fred Bonk, and the Board was there to provide information or listen to residents' concerns. The Townships financial status, road maintenance and operating needs for the future were topics of discussion. These issues can directly affect the levy amount for the following year.
