With over 140 dues-paying members, Miami College Republicans is one of the largest and most active College Republican chapters in the country. Staying true to our mission statement of providing members with opportunities to engage in political campaigns of varying sizes and importance, Miami College Republicans regularly supports various Republican candidates both in Butler County and throughout the entire state of Ohio. With events such as the upcoming Butler County Fundraiser, we are able to fund the important things we do as a club, such as transportation to and from volunteering events, speaking fees, and our annual trip to Washington D.C. for the Conservative Political Action Conference. We had a very successful 2018 election cycle and are looking forward to the local elections in 2019 and a big year in 2020!
