Luke Morse, Principal

Remember
our school is Nut Free!
Please be
aware to
not send
any lunch
or snack
items
containing nuts or nut
products.
Thanks!

Those of you who attended this year's Annual General Meeting (AGM) on 8 November 2016 will know that we have hired an experienced educational advancement consultant to lead our building project moving forward. As we explained at the AGM, we are presently in the "quiet phase" of the campaign, but don't let the present absence of confetti and fanfare fool you. There is a lot to be excited about, as God is opening doors with major donors and building prospects that we never would have thought possible even a year ago. There are still some major pieces to the puzzle that need to fall into place, but we know that God is faithful. He has a plan for SCA, to see us grow and thrive beyond anything that we could ever achieve on our own (Jer 29:11). I look forward to sharing our progress in a dedicated news mailing beginning in December to inform our SCA families of the latest discoveries that we have made of God's good plan.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

Field Trips

We had a school wide trip to Science North at the beginning of the month where classes enjoyed going to workshops and seeing a new exhibit called "Game Changers" all about video games! Grades JK-Grade 4 ventured to Lake Laurentian this month to learn all about different northern habitats and survival tips in Northern Ontario! The grade 7/8 class cleaned up Walford Rd. as part of the Adopt-A-Road program, and also invited their grandparents to come to the school for a pierogi lunch put on by Mr. Mike Gregory!

CLUBS AND SPORTS UPDATE

Drama Club is rehearsing three times a week getting ready for the Christmas musical! Don't forget to mark your calendar for December 17th and 18th and come to Lansing Bible Church to see "Dude, You Hear What I Hear?"

Basketball Club started this month! This club is working towards becoming a team and playing some games against other schools!

Knitting Club with Mrs. Robertson is a big hit on Friday mornings! With the colder weather coming, students are happy to stay inside and learn how to knit bookmarks, scarves, and phone cases!

Service Projects

At SCA we are committed to serving our community in any way we can! This month we packed Operation Christmas Child boxes to send to children around the globe. We collected 46 boxes total this year and sent them off to Ukraine, Haiti, Chile, Guatemala, El Salvador, Nicaragua, Costa Rica, Venezuela, Uruguay, Guinea, Gambia, Guinea Bissau, Senegal, Sierra Leone, and Equatorial Guinea.

We will be participating in the Santa Shuffle to support the Salvation Army, filling care packages for Elgin St. Mission and visiting Extendicare York in December to stay connected with our community.
