Give back to the Tennessee Walking Horse this Holiday Season!

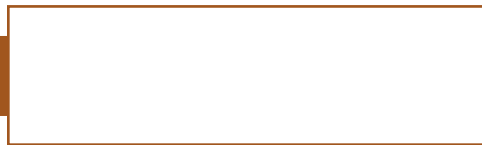

Give to the Tennessee Walking Horse Foundation this holiday season to ensure the future of the breed that provides us with so much.

The holidays are upon us. It's the season of love and giving. This is the perfect time to give back to the breed that we all love by making a donation to the [Tennessee Walking Horse Foundation](#).

The Tennessee Walking Horse is more than a horse to us. He is a friend and partner, willing to give his whole heart. Put your heart into the future of our breed by [making a donation](#) in honor or memory of a special horse or person that has touched your life.

In addition to supporting the breed we all love and encouraging others to do the same, your donation is tax deductible to the fullest extent of the law and donations made by December 31st may provide valuable tax relief as this year comes to a close.
