

Dear NAWIC Greater Omaha Chapter #116 Member,

The Chapter's PR/Marketing Committee is working to create a photo database of women in construction in the greater Omaha area. The photos will be used in our chapter's social media posts, on our retractable banners, on flyers, and PowerPoints. We want to recognize and celebrate the many women working in construction in the greater Omaha area (this includes western Iowa, Lincoln, and areas in between). We believe it is more meaningful to use photos of women in our area in our posts versus buying stock photos from a website.

Our Ask:

- Photos of women or groups of women and men at work (if a group photo please make sure we can recognize that a woman is in the photo. The woman in construction does not have to be a member of NAWIC)
- Photo will ideally involve an activity related to construction (examples: working on pipes, driving a bulldozer, hanging sheetrock, bid day/war room/working on design plans, wearing PPEs, welding, painting or similar construction related activity)
- Please keep any job site specific information out of the photo. We are not asking employers or the people in the photos to sign releases of job site photos. These are free will images.
- If you take a photo of someone, please make sure s/he agrees that you can share it with the NAWIC Greater Omaha Chapter #116.

Contest Dates

- April 15 through July 15, 2020

What You Can Win

- For each photo you submit that meets the below requirements, your name will be entered into a raffle to win a \$10.00 gift card to Scooters or Starbuck (your choice).
- Six \$10.00 gift cards will be awarded in total (two per month for April 15 to May 14, May 15 to June 14, and June 15 to July 15.)

Photo Requirements

- Minimum 150 dpi high resolution photos
- Send photo of women in construction that are 150 dpi or higher and we will resize as needed
 - Really large graphic files can be sent for free using <https://wetransfer.com>
 - Email to nborg@ur.com and Ashley.meirose@unmc.edu
