

## Senior DECATS Tuition Assistance Application

*This confidential information is provided only to committee members. Complete the application by February 22, 2020 and submit as an E-mail attachment or by mail. Contact information found on the srdecats.org website or call (214) 957-0057.*

Thank you for your interest in having your child attend Senior DECATS. Our goal is for the most deserving students in the Diocese of Dallas to get the opportunity to participate in our summer enrichment program, regardless of ability to pay. Awards are based on the number of families requesting assistance and the circumstances of each family. We aim to provide the maximum amount of help to each family that requests assistance. With that in mind, we ask that families requesting tuition assistance give us some specifics about their unique situation. Senior DECATS is funded by student tuition - we receive no grant money or gifts from any organization. When families do not pay for any of the expenses (rent, personnel salaries, field trips, supplies, etc.), the program ends up losing money. Currently, we have applied for non-profit status and in the future, we hope to get grant money and be able to provide more families assistance. In the meantime, **ALL** families are required to pay a minimum of \$150 for the program, due no later than February 1. Specific tuition assistance awards will be determined by a committee and your award amount will be sent to you by mail on March 1. Please have your child choose classes and complete the application process. If there is a problem with the tuition assistance amount, we can deal with it after March 1. **Please complete and sign the statement below. Our intention is not to violate your privacy, but to gather information for our decisions.**
