

Dear Lord,

*Thank You for the Blessing of a New Day. Help me start this day pure and fresh by forgiving my many sins. I pray that You accept my repentance and help me to do penance today. Guide me this day away from sin and evil, but ever toward the Path of Salvation. Send the Holy Spirit to help me spread Your Word and guide me to follow Your Footsteps as a Loyal and Loving Christian. Lead me away from Temptations and Sinful Situations and protect me from all those who would do me harm, so that I may not be distracted from doing Your Will and may Serve You Faithfully throughout this day.*

*Amen*

Dear Lord,

*I have reached new depths of despair. The adversities which afflict me have darkened my world, sapped my strength and hardened my heart. I struggle to keep my Faith and fear that You have deserted me. But I know that You would never do that. Therefore, Dear Lord, I ask You to bless me with the strength to sustain my Faith and persevere in the presence of these adversities. In Your Mercy forgive me for the part I played in bringing about my problems and hurry to my aid. Grant me the Wisdom to see the ways to overcome these problems and restore the prospect of a promising and fulfilling future. Work Your Miracles on my behalf to lift the yoke of my burdens so that I may once again take care of my family and loved ones and contribute to my community. And Lord, as You help me, let me never forget to help those less fortunate than I.*

*Amen*

Dear Lord,

*We desperately need money to provide the sustenance and shelter necessary for our family to live. We do not seek wealth, nor ask for riches to support an extravagant lifestyle, but simply for the bare necessities to survive. The rent is long overdue, debts are unpaid, our clothes in tatters, and the meager meals we share do not feed our hunger. We have Faith and Trust in You to bless us with the relief, the money and the means to once again pay our debts, fill our stomachs and clothe our bodies so that we may go about doing Your Will, spreading The Word and helping others in need. We give You thanks for hearing our prayer and relieving our plight, and we ask that You show Mercy on all who suffer.*

*Amen.*
