Welcome to the GlenOak Marching Band!

May 22, 2018

We're excited to kick off the 2018 marching season with you as a member of the Golden Eagle Marching Band! You will find information about fees, schedule, uniforms, and band camp inside. As you look through this schedule, planning is the most important part of the performance process for next year. Time goes by very quickly and it's vital to look ahead and plan for upcoming events.

To stay informed, we do have a Remind 101 which you can subscribe. Text @gohsband to 81010. In addition to Remind 101, our band website is WWW.GOHSBAND.COM and our Twitter is @GlenOak_Band

Grading Policy

Individual band grades are determined by Participation in Rehearsals/Performances and Individual Music Assessments. Grades are put into one of three categories worth the following:

Rehearsals	20%
Performances	30%
Performance Assessments	50%

Attendance Policy: Rehearsal 20%/Performances 30%

Attendance at rehearsals and performances (both in school and after school) are mandatory and part of the class.

Participating in band is a graded course and your attendance is part of that grade. Along with that, you are also part of a team where your attendance is necessary for the success of the entire group. The rest of the band is counting on you. We reserve the right to remove you from a performance if you have excused/unexcused absences from practices or performances causing you to not be ready for a performance. **All performance absences must be approved (unless emergency) by a director at least 3 weeks before the date of absence. Rehearsal absences are a minimum of 2 weeks in advance. The earlier the better! Summer absences are no exception. In the event of an emergency, you can notify Mr. Irwin at 491-3937 (band office) or email irwine@plainlocal.org We now use an online absence reporting system on our band website, www.gohsband.com.**

Student Athletes: It's very important that you copy your athletic schedule, highlight conflicts, and discuss with a director. Participating in band and a sport is very "do-able" as long as you plan. We always equally split time for practices/rehearsals with your respective team. However, we must know when you are missing rehearsal and any performances in advance according to the 2/3 week guidelines listed above. The key to making this work is advance communication.

Performance Assessments (aka Music Checks) 50%

All GlenOak Bands are graded performance organizations. Successful performances rely 100% on each students' ability to learn their music. We assess all students on an individual basis over each song required for Pregame and our halftime shows. **Each tested song is worth 10 Points with a passing score being 8/10.** We do allow students to retest their music for a higher score within the testing "window." Retesting deadlines are listed in the students' music folder for each show. If a student fails to test an adequate amount of music by the deadlines for each show, he/she will be moved to Alternate Status for the next halftime show.

Alternates:

Alternate performers are students not meeting eligibility requirements to perform on the performance field. These may include not testing music, extremely low testing scores, and missing mandatory rehearsals/performances. Every situation is different and approached in that manner. Alternate performers may be asked to fill in open spots on the field if progress is made in the area(s) of deficiency.

Summary of all Band Expenses

Below is a detailed list of all marching band-related expenses and when (approx.) these fees will be due. *Should you anticipate needing financial assistance to pay these fees, please contact Mr. Irwin at irwinc@plainlocal.org or 330-491-3937.*

If new shoes need to be ordered, this must be done during the uniform fitting week. Replacement Tux Shirts can be purchased for \$18 in November. Spats and gloves can also be purchased before any marching band performance in the PLIMPA ER (Emergency Repair) room.

Uniforms

Uniform fittings will occur at the high school on the following dates:

All band students will be required to wear the approved black marching shoes (hence the term "uniform") and provide their own black socks (calf height). All other brands except for shoes purchased through PLIMPA are unacceptable and not considered uniform. Previous band shoes are okay. Returning band members: If you use shoes, spats, and/or gloves from last year, make sure they look new.

We take great pride in our band uniform. Take care of it because it represents all of us. Replacement uniform cost is \$650.00

Instruments & Lockers

All students need working instruments for rehearsal and performances. This includes having reeds, etc. **All students will be provided a school locker which you must provide your own combination lock.** Any student using a school-owned instrument is responsible for the instrument. Lockers must be kept clean at all times and sharing lockers is prohibited.

Music

You are responsible for all music received. The GlenOak Marching Band memorizes all music for performances except stand tunes. Required dates for memorization of each song is listed below. **All students must test their Pregame music during the week of July 16th according to the schedule provided.** Halftime #1 music will be tested during camp. **DO NOT WAIT UNTIL BAND CAMP TO BEGIN MEMORIZATION!** Both Pregame and Halftime #1 will be performed MEMORIZED on August 3. **You need to purchase a lyre and flip folder to use at all rehearsals.**

Medical Forms

Attached is a medical form that must be completed (both sides) and signed in order to authorize the directors and chaperones to treat your child in the event of a medical emergency. Please complete this form and bring it to your **first band practice in July**. There is also a **Medication Administration Record (MAR)** which must also be returned **ONLY IF** your child is to receive ANY medication while at a band function (including inhalers). **All medications must be in their original containers and properly labeled. Medications administered during band functions must be turned into directors with the MAR Form.**

Band Camp

Band camp is mandatory. If you are not attending all of band camp, you need to meet with a director. See Alternate information on page 1.

A successful band camp is essential to a good marching band. Everyone is responsible for coming to camp with their Pregame Music tested by Friday, July 20th. All halftime #1 music will be tested during band camp. Music memorization is not something in which you can be successful by procrastinating. It is essential that your music practicing not end when you leave each day from camp. The schedule is designed to provide full band marching and music rehearsal PLUS time for sectional work. Attendance at all rehearsals (full band and sectionals) is mandatory. Please make sure you have your transportation lined up. Students earn a band camp grade.

Your band calendar has the entire band camp schedule detailed. Every section has sectionals planned per week with time to test off music (music played by memory). **Music must be tested by the deadlines assigned. If you want to be written into Show #2, test your Pregame music on time.**

We will provide regular water breaks throughout the rehearsal. Please dress for the weather, including the use of sun block!

Evening Fun Activities

During band camp, we work very hard but we also like to have some fun too. On Tuesdays and Thursdays, we will have some evening activities. In the past, we have had movie nights, roller skating, swimming, etc. As we approach camp, we will let you know what activities will be on which nights. But for now, please plan for these activities to be on Tuesdays and Thursdays during the first week.

Lastly, we are excited that you are becoming a member of the 2018 Golden Eagle Marching Band! You are in for an exciting and rewarding experience.

Dear GlenOak Band Parents and/or Guardians,

The information attached to this letter is about Lindsay's Law which deals specifically with **Sudden Cardiac Arrest** (SCA). Lindsay's Law went into effect in 2017. We have chosen to participate with the other GlenOak athletic organizations to educate our students, parents, and staff about this life-threatening event. As you know, marching band is a highly physical activity which can potentially trigger the warning signs of Sudden Cardiac Arrest.

Our entire band staff has been through the necessary training to recognize symptoms of Sudden Cardiac Arrest in our students and how to help a student in the event SCA occurs.

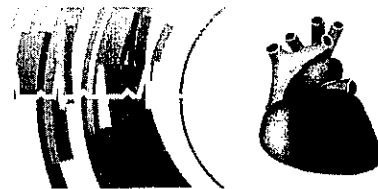

I am asking you as the parent/guardian to review this information so that you fully understand Lindsay's Law and more importantly, Sudden Cardiac Arrest. As the parent, you also know if your child has ever experienced any of the warning signs associated with SCA. You and your band student are **required** to review the attached information and return the signed Parent/Athlete Signature Form this week. There is a video regarding Sudden Cardiac Arrest posted on our band website (WWW.GOHSBAND.COM) which further details the information in the attached handouts.

Thank you for your attention to this and please send in the signed Signature Form to any band director.

Sincerely,

Chris Irwin
Director of Bands
GlenOak High School

Sudden Cardiac Arrest and Lindsay's Law Parent/Athlete Signature Form

What is Lindsay's Law? Lindsay's Law is about Sudden Cardiac Arrest (SCA) in youth athletes. It covers all athletes 19 years or younger who practice for or compete in athletic activities. Activities may be organized by a school or youth sports organization.

Which youth athletic activities are included in Lindsay's law?

- Athletics at all schools in Ohio (public and non-public)
- Any athletic contest or competition sponsored by or associated with a school
- All interscholastic athletics, including all practices, interschool practices and scrimmages
- All youth sports organizations
- All cheerleading and club sports, including noncompetitive cheerleading

What is SCA? SCA is when the heart stops beating suddenly and unexpectedly. This cuts off blood flow to the brain and other vital organs. People with SCA will die if not treated immediately. SCA can be caused by 1) a structural issue with the heart, OR 2) an heart electrical problem which controls the heartbeat, OR 3) a situation such as a person who is hit in the chest or a gets a heart infection.

What is a warning sign for SCA? If a family member died suddenly before age 50, or a family member has cardiomyopathy, long QT syndrome, Marfan syndrome or other rhythm problems of the heart.

What symptoms are a warning sign of SCA? A young athlete may have these things with exercise:

- Chest pain/discomfort
- Unexplained fainting/near fainting or dizziness
- Unexplained tiredness, shortness of breath or difficulty breathing
- Unusually fast or racing heart beats

What happens if an athlete experiences syncope or fainting before, during or after a practice, scrimmage, or competitive play? The coach **MUST** remove the youth athlete from activity immediately. The youth athlete **MUST** be seen and cleared by a health care provider before returning to activity. This written clearance must be shared with a school or sports official.

What happens if an athlete experiences any other warning signs of SCA? The youth athlete should be seen by a health care professional.

Who can evaluate and clear youth athletes? A physician (MD or DO), a certified nurse practitioner, a clinical nurse specialist, certified nurse midwife. For school athletes, a physician's assistant or licensed athletic trainer may also clear a student. That person may refer the youth to another health care provider for further evaluation.

What is needed for the youth athlete to return to the activity? There must be clearance from the health care provider in writing. This must be given to the coach and school or sports official before return to activity.

All youth athletes and their parents/guardians must review information about Sudden Cardiac Arrest, then sign and return this form.
