We will be exploring old and new toys from the past to the present. We will be learning how to read simple words and sentences and create our own class book about our favourite toys. At home, you can talk with your child about their favourite toy. Why do they like it? You could try and compare it to toys you may have had as a child? You can get them to draw pictures of their favourite toy and write about why they like it so much? We will be talking about money and numbers to 20 adding, subtraction and doubling and halving. Playing shops with your child is a great way for them to learn how to use money. You can add challenge by giving them amounts to add together, take away, share out or double.</p>		<p><b>We will be:</b></p> <ul style="list-style-type: none"> <li>Making character finger puppets</li> <li>Art work of characters of from our stories</li> <li>Hot seating characters</li> <li>Role playing with our friends and making up our own stories.</li> <li>Dressing up</li> </ul>
