Annual Harvest Supper & Fundraiser

Please mark your calendars for our annual Fundraiser Dinner on Friday evening:

October 14th, starting at 6:30 PM
Hillcrest Church,
3785 13th Ave. SE
Medicine Hat

The meal will consist of Gleaners soup, buns, and pie for dessert. Join us for an informative and enjoyable evening and take this opportunity to help support our ongoing work. An RSVP is requested by either phoning one of the numbers listed or emailing the address shown at the bottom of this page. There is no charge for the meal.

We hope to have guests from a mission in Burundi, whom we have partnered with, join us for the evening and share about their work.

Shipment for Ukraine

Six tons of the bagged vegetable soup mix left our facility this week destined for Ukraine before winter sets in. This food will be included in a shipping container with hundreds of winter coats. Although little is mentioned in the news anymore, there is still the ongoing conflict in Ukraine where 2 million people are displaced from their homes.

Many Hands

As always at Prairie Gleaners, we are extremely grateful for those volunteers who give their time in so many ways. There is building and grounds maintenance, promotions, and the never ending (thank God) processing of produce. Thanks to John the tree planter, and another John the handyman for work on the interior expansion to our production room, and Helen the artist for the delightful paintings and signage in the front hallway. As well, our great display at the annual Medicine Hat Exhibition and Stampede involved many others. Thank you.

Visitors from many Countries

We are always thrilled to welcome visitors to our production plant when they are visiting our great city and province. The Medicine Hat chapter of the International Friendship Force has included Prairie Gleaners as one of their "places to see" when hosting international visitors. It's been a joy to meet folks from Australia, New Zealand, Japan, South Korea, a number of European countries and most of the States to our south. We have discovered that no matter where you are from or what your background is - we can all come together for a common cause and help make the world a better place.
