GAHU Needs Your Help!

GAHU's primary annual fundraiser, now available online for our industry professionals, clients, friends, and family to have the opportunity to bid on amazing gifts and trips while helping to fund the health insurance industry's most valuable resource and voice in the state of Georgia.

25% of all net proceeds from the fundraiser are donated to the Cystic Fibrosis Foundation, a cause near and dear to our hearts.

Help support our chapter and the CF Foundation while indulging for yourself or a loved one. We appreciate your support!
