

Bluegrass Birding Festival & Craft Fair

May 14-15, 2016

Presented by: Wild Birds Unlimited with Lexington Parks & Recreation

Wild Birds Unlimited and Lexington Parks and Recreation will be hosting the 3rd annual Bluegrass Birding Festival & Craft Fair May 14-15, 2016 at McConnell Springs. We would like to take this opportunity to tell you a little about the festival and invite you to participate. Central Kentucky has great opportunities for birding. There are over 350 species of birds that have been documented visiting or living in our state. The Bluegrass Birding Festival showcases not only the diversity of birds but also the beauty of the region that is so often overlooked. We are planning several bird walks, banding demonstrations, live raptor exhibits, and many other exciting activities. We will also have a raffle to raise money for "Rita's Ride to McConnell Springs" a transportation grant available to Fayette County schools, and would be grateful to vendors willing to donate an item to the raffle.

In addition to the birding events, we like to incorporate nature related organizations and local art into the festival by including a vendor area for demonstrations and selling. We expect to have good news coverage and we anticipate a lively turn-out for both days. We think this festival will be a great opportunity for you to connect with a large number of like-minded people and we would love to have you join us.
