**BOOTH SIZE AND INFORMATION**

All booths measure 10x10. There is limited space available so if your booth will measure more you will be charged double. Due to our attempt to encourage as many informational and non-profit booths as possible, we encourage info booths to share in order to maximize space. Assistance is available if organizations need help pairing up. You may have access to water and electricity. You must provide your own SHADE, tables, chairs, lights and your own extension cords. We highly recommend pop-up structures as shade travels throughout the day.

**SET UP**

FRIDAY SET UP IS DISCOURAGED AND REQUIRES PHONE CONFIRMATION. Vehicles may arrive on site at 8am Saturday or early as needed however, **Ridgestock staff will not be on site until 8 am. Vehicles must be out by 10:30 a.m. ----NO EXCEPTIONS!** The Schoolhouse grounds are gently sloping so bring shims to level tables or clothing racks as needed.

ALL BOOTH WORKERS MUST HAVE WRISTBAND AT ALL TIMES.** If you know how many extra tickets you'll need you can have them ready at the gate by purchasing them along with your booth fee.
