

Qiang Huang's Supply List for landscape painting

Welcome to my painting workshop. Following is a list of items you need:

Brushes

You don't have to use exactly the same brushes I use. Similar types and sizes will do.

Bristle Brushes:

#10 flat, # 8 flat, #6 flat, #3 flat Brand: Pro Stroke 77 F Creative Mark

Synthetic Brushes:

3/4" flat, #20 flat, #12 flat, #1 flat, 10/0 round Brand: Qualita Create Mark

Palette knife:

No special requirement

Paints

We will mainly use a limited palette:

Cadmium yellow Deep, Quinacridone Red, Transparent Oxide Red, Manganese Blue Hue, Ultramarine Blue, Titanium White, Portland Gray Deep, Ivory Black

Following colors are good to have, but it is not required:

Naples Yellow Light, Yellow Ochre, Cadmium Yellow Lemon, Cadmium Orange, Cadmium Red Light, Manganese Violet, Kings Blue, Cobalt Teal, Viridian, Sap Green, Cadmium Green Pale, Gamblin Radiant Red, Violet, Blue, Turquoise, Green.

I mainly use Gamblin oil colors, but other brands are fine too.

Medium:

Linseed oil. Gamsol or odorless mineral spirit, Gamblin Solvent-Free Gel

Palette

No specific requirement. I use a piece of glass over a piece of brown paper. If you like a one-time-use paper palette, use the gray color one, not white.

Canvas/Panels

No special requirement. Both panels or stretched canvases can work. Personally I prefer oil primed than acrylic primed surfaces.

Reference photos

I will provide a few reference photos, but you are welcome to use your own photos.
