

Job Opportunity: Industrial Maintenance Technician / 1st Shift

Impact of Position:

This individual will be responsible for supporting production through the repair and maintenance of welding, stamping, metal fabricating, and robotic-related equipment, the performance of miscellaneous structural/building repairs, and the fabrication and/or reconditioning of equipment/parts as needed. This person will play a critical role in ensuring all equipment in use is operating safely and efficiently through clear communication across both shifts.

Duties and Responsibilities:

- Receive assigned work/tasks from Maintenance Supervisor
- Support shift production through troubleshooting and repairing downed/problematic machinery, robotics, work stations, etc.
- Complete/Assist with unfinished Maintenance Crew tasks/projects
- Complete preventative building maintenance as scheduled / appropriate
- Must be able to work both independently and under the instruction of the Maintenance Supervisor

Physical/Mental Demands:

- Use of various tools/handling/gripping arm, hand, finger strength and coordination
- Complete work while standing, sitting, stooping, crouching, climbing, crawling, etc.
- Complete work at ground level or elevated on lifts/ladders/roofs
- Ability to operate tow motor, lifts, heavy machinery, etc.
- Ability to read and interpret instructions/prints/schematics
- Strong written and oral communication skills
- Strong problem-solving skills/reasoning

Requirements of the Position / Experience:

- High School or G.E.D. / Additional trade or certifications also considered
- Ability to utilize computers/programs and communication tools (tablets, email, etc.)
- Experience with mechanical, electric, hydraulic, pneumatic equipment
- Compressors, Plumbing and HVAC, electrical wiring
- General building maintenance
- Lock out/Tag out protocols
- Welding/fabricating experience

Salary and benefits apply. Please submit resumes to jcvenner@clampco.com. Go to Clampdocs.com and click on the "careers" tab to view this job ad as well. This position will remain open until filled.
