

Mercy Baptist Church *Marriage Couples* Ministry

Purpose

The purpose of this ministry is to improve and maintain communication between partners in marriage. To learn that a marriage based on a foundation of biblical principles, is not only workable, but offers the most fulfilling relationship humanly possible. It is meant to encourage and challenge couples, in their spiritual journey, by getting them into God's word, and build their marriage God's way.

As you put God's plan into action with encouragement and grace you will grow in love for each other and the Lord. May the Lord richly bless you as you listen for and respond to his call, living on a higher plain than those around you. One of the cements that hold couples together is a joint commitment to God, common values and activities.
