

JERUSALEM EMBASSY CELEBRATION

In light of the 70th year anniversary of Israel's independence since 1948 and the USA Embassy move to Jerusalem, this study wanted to look at a possible encrypted meaning of the 3 names of the men engraved within the stone plaque embedded on the wall of the US Embassy building in Jerusalem. The U.S. Embassy plaque was unveiled by Ivanka Trump and various Israeli and American dignitaries. Nonetheless, if names have meaning and are derived from the nature of their definition, then what would the names be telling perhaps? This is only a speculative suggestion but the names embedded forever in the plaque will go down in Israeli and Church Age history as a monument milestone that is undeniable. The stone plaque if very simple, elegant and lists the names of 3 men, Donald Trump, Michael Pence and David Friedman. Aside from Donald, the name of Michael and David are probably the most prolific of names concerning Israel's past and future aside from Yeshua or 'Joshua' that is Israel's Messiah, Jesus Christ. Many Biblical scholars and even secular observers both in the press, media and governments see that this event is historic to say the least but Biblical at most. In short, it would make Donald Trump, the U.S. President forever engraved not only in the stone plaque of a nation's embassy building but in the annals of Jewish History, which is phenomenal. Many do see the designation of the choosing of Cyrus the Great, a great Persian no less with that of Trump. Both are now seen as being called by YHVH to help restore Israel.

PROPHETIC LEGACY OF PRESIDENT DONALD TRUMP

Great Chief, who ranks atop others, Who is like Elohim? (GOD) that on His Holy Hill gathers His herd, Beloved Man of Peace.

1 Donald - Great Chief
The name Donald is a Scottish baby name. In Scottish, the meaning of the name Donald is 'Great Chief', 'World Mighty'. From the Gaelic Domhnall, the name Donald was given to a number of early Scottish Kings.

Trump - To rank atop others
Trump is a surname of English and German origin. The English surname is derived from the Old French 'Trompeur', or 'Trumpeter', which means, the 'Maker of Trumpets'.

There is a 2nd meaning in the game of Bridge and other card games. It is a playing card of the suit chosen to rank above the others, which can win a trick where a card of a different suit has been led.

2 Michael - Who is like Elohim? (GOD)
From the Hebrew name (Mikha'el) meaning who is like God? The name is a rhetorical question, implying no person is like GOD. Michael is one of the 7 Archangels in Hebrew tradition and the only one identified Archangel that protects Israel.

Pence - Hill that gathers herd
The ancestors of the bearers of the Pence family name are thought have lived in ancient Anglo-Saxon England. They were first found near an area that was referred to as the Penn. The surname Pence is a toponymic surname, which described where the original bearer held land. In this case, the surname was originally derived from the Old English words 'Penn', meaning an area that housed stray animals as in a 'penn', but also which referred to a hill.

3 David - Beloved
From the Hebrew name (Dawid), which was probably derived from Hebrew (dwd) meaning 'Beloved'. David was the 2nd and greatest of the Kings of Israel. David ruled in the 10th century BC and made Jerusalem the capital of Israel. Several stories about him are told in the Old Testament, including his defeat of Goliath, the great Palestinian giant.

Friedman - Man of Peace
This ancient surname is of German, Swiss and French origins. It was also adopted as a Jewish Ashkenasic surname from the 17th century onwards. It derives from the pre-8th century word 'fried' meaning 'peace', plus 'man(n)' as in 'Man of Peace'. It has a variety of translations from servant, (as in servant of God), or friend.

1948-2018
70 AD + 1948 = 2018

The Sanhedrin has issued a 1/2 Shekel Temple Coins with both men's facades to commemorate a 'decree' over Jerusalem. The linkage to both men is the 70-year numerical coefficient. It was at the 70th year marker that Cyrus the Great issued the decree to liberate the Jewish Captives and have them all return to restore Judah (Israel), Jerusalem and the Temple. In similar 'prophetic' fashion, Trump decreed move of the embassy to Jerusalem was commemorated at the 70th year marker, to the day of Israel's Independence.

Likewise, it would appear that such a move may be fulfilling a major prophetic milestone of YHVH's prophetic timetable. It is concerning the redemption of Israel, the City and eventually the Temple. Will Donald Trump's decree reach that 'prophetic' degree concerning the building of the 3rd Temple in some way? What the move of the U.S. Embassy to Jerusalem by Donald Trump does it that it now legitimizes the construction of the 3rd Temple, whenever that will be. It is point of pride for the Gentile Church of whom many Evangelical Pastors have said of Israel that 'they are our best friends' and above all, brothers in arms and benefactors of Israel's Covenant per Abraham.
