Volume #1 Published Monthly

From the President's Desk: May 2016

On Saturday, June 18th we'll be holding a club work detail from 9:00 am until 12:00 pm. We could use your help. We'll be putting a new roof on pavilion 4 (on the other side of the creek). Carpentry tools, screw guns, and ladders will be helpful. We will be meeting at the pavilion instead of the clubhouse this time. We will be giving out door prizes again. This detail will be cancelled if raining. If you have questions contact me at 717-586-5561 or email me at hkbrt@verizon.net

At the chapter meeting June 21st, at 7:00 pm we will be discussing the \$10 dues increase Nationals is proposing and decide how we want our delegates to vote at the upcoming National Convention. Please come to the meeting to take part in this discussion. If you are interested in being a National Delegate for our club please contact me.

We are interested in getting into a volunteer program with Hershey Park in the very near future. This is an interesting opportunity to make money for our club, and get passes for yourself to Hershey Park. I am getting the paperwork together now, and I need someone to be the alternate contact in case I can't be reached, which is unlikely. If you can answer the phone during the day and would like to be my back up let me know. More information on this project will follow as it progresses.

The Pistol Committee will be holding two classes for those interested in shooting 3 gun. We will be doing an intro class on Sunday, July 31st, and an intermediate class on Saturday, July 30th. If you would like more info contact me.

This is your club. Find a way to get more involved. Don't sit back and wait for someone to invite you to do something. Get out there and do it. Make a phone call, or send an email. Let someone know what you are willing to do. The more you put into it, the more you get out of it.

Howard

Youth Field Day:

On Saturday, June 4th the Youth Field Day was held at Izaak Walton League. There were 145 youth signed up. It was hot and humid but the youth and parents still had a good day. Each youth received a cap and t-shirt and bag of materials when entering. They had lunch and at the end of the day each youth received a fishing rod and reel. A big thank you goes out to all the people who worked to endure a good time for all and gave their time to make this a great day. Also, thank you to 14 IWLA members and Mason-Dixon Clay Busters for supporting the TRAP SHOOTING STATION. Judging from the cheering and applause, I believe the kids had a great time and they broke some clay targets.

Volunteer Opportunity:

Since most of us like to have our cake and eat it too, here's an opportunity to do just that, even as you benefit our club. Hershey Park needs volunteers! In coordination with our point of contact, club President Howard Thompson, he will direct you to the park on a specific date where you will work up to 8 hours with a certain financial benefit to the club as a direct consequence. While working there, they will feed you and at the end of your shift you will get at least 1 gate pass good anytime for the rest of the season. The work is not hard and most everyone there is very accommodating.

Save Our Streams:

Last month we had TWO, yes I said TWO, successful "in stream" workshops that helped YOUR CLUB fulfill their in-kind hours required of Save our Streams Projects. If you missed out, you need not worry. We have two additional projects planned for the future. The first is June 23, a Thursday, set for 5:30 PM at the club. All you need to bring is your enthusiasm and a pair of boots to get into the stream and help. (Of course, at this time of year, shorts and sandals may do the trick.) The second is set for another Thursday evening, July 21, again at 5:30 PM. If you saw the report on the quality of streams in Pennsylvania, you saw that the grade given to Pa.'s waters was a "D +". Want to make a difference? Come out and give us a hand. Call me, Bill Stone, at (881-4992) to answer any questions, and help Your Club do its part. And of course, all of y'all that helped out before and are now, "experienced", are urged to come on out again! Matt thanks for your help.

Bill Stone

2016 York County Veteran's Sporting Clay Shoot:

To be held on July 9, 2016 at Starview Sportsmen's Association. The day starts with lunch at noon, followed by a brief safety briefing, a full afternoon of sporting clays, and finishing the day with an awesome steak dinner, plus great door prizes. It's all free for Veterans, who sign up, also anyone wishing to help or contribute to this event, contact Phil Baker 717/266-5987.

Welcome New Members:

Please give a warm welcome to any new members as you see them on the grounds.

Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
