

EASY TITHE GIVING

Easy Tithe is WFBC's Online Giving and Registration Service. Online giving is a safe and easy way to support the ministries of WFBC. We use an online database called Easy Tithe. This system enables us to provide you with secure access to your contribution records and allows you to make donations online. Easy Tithe provides all of the security for the system. ([Click here](#) for Easy Tithe Security Information). Churches throughout the country use Easy Tithe so you can be assured that your donation is being processed appropriately. You can choose to make a one-time contribution or establish a recurring contribution. There are four simple steps:

1. Visit easytithe.com to get started.
2. First-time users create a user id and password. Do this by clicking on "First Time?"
3. Provide contact, password and bank or credit card information.
4. Using the tabs, select "Tithe" for one time giving, or "Auto-Tithe" for recurring giving designations.
