INTRODUCTION

The purpose of the Parent/Student Handbook is to ensure that parents and students understand the rules and regulations of the school and agree to abide by them. The policies are intended to promote the development of self-discipline, accountability, appreciation of learning, and respect for others. The information contained in this handbook enables us to cooperate and communicate effectively and provide for the safety and security of each child. All parents, guardians, volunteers, and students are expected to follow the procedures set forth in this book once the children are enrolled at Our Lady Star of the Sea School.

When in doubt regarding a particular policy, procedure, regulation or activity, please contact the school office to clarify the issue.

MISSION STATEMENT

Jesus Christ is the center of our Catholic school community and the Person by whom we measure our life in its daily, physical, mental, and spiritual activities. It is, therefore, the mission of Our Lady Star of the Sea, in conjunction with the parents and guardians of our children, to build a community which will reflect Gospel values, not only in the smaller school and parish setting, but also in the wider world society. Because we are also an academic institution, we strive for scholastic excellence by providing an organized and integrated curriculum, which responds to the unique ability of each person. It is hoped that by providing a program that encourages spiritual, emotional, social, intellectual, and physical growth, the students will be able to meet the challenges that face them as they strive to become members of a democratic society.

ARCHDIOCESAN ADMISSIONS & NON-DISCRIMINATION POLICY:

The Archdiocese's Admissions & Non-Discrimination Policy can be found on the website of the Catholic Schools Office of The Roman Catholic Archdiocese of Washington at <https://adwcatholicschools.org/non-discriminationpolicy/>

Archdiocesan Admissions & Non-Discrimination Policy

Archdiocesan schools follow local, state, and federal non-discrimination regulations, as applicable. As religiously-affiliated schools, Archdiocesan schools are not required to adopt any rule, regulation, or policy that conflicts with the religious or moral teachings of the Roman Catholic Church.¹

Catholic students shall be given preference over non-Catholic students for initial admission into Archdiocesan schools. All applicants shall follow all applicable policies and procedures regarding school-based entrance requirements, health examinations and immunizations before finalizing any admissions.

¹Maryland law requires non-public schools that receive state funds to publish the following additional statement: "It is the policy of the State of Maryland that all public and publicly funded schools and school programs operate in compliance with:

(1) Title VI of the Federal Civil Rights Act of 1964; and

(2) Title 26, Subtitle 7 of the Education Article of the Maryland Code, which states that public and publicly funded schools and programs may not:

(i) discriminate against a current student, a prospective student, or the parent or guardian of a current or prospective student on the basis of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability;

(ii) refuse enrollment of a prospective student, expel a current student, or withhold privileges from a current student, a prospective student, or the parent or guardian of a current or prospective student because of an individual's race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability; or

(iii) discipline, invoke a penalty against, or take any other retaliatory action against a student or parent or guardian of a student who files a complaint alleging that the program or school discriminated against the student, regardless of the outcome of the complaint."

Maryland law further provides that Title 26, Subtitle 7 of the Education Article of the Maryland Code "does not require a nonpublic prekindergarten program or nonpublic school that is religiously affiliated to enroll, retain, or extend privileges to a student or prospective student who does not meet the usual and regular qualifications, requirements, and standards of the program or school or to adopt any rule, regulation, or policy that conflicts with the program or school's religious or moral teachings, provided that the denial, rule, regulation, or policy is not based on discrimination on the grounds of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability."

ADMISSIONS & ENROLLMENT

ADMISSIONS PROCESS

Parents interested in applying for admission are required to visit the school, have their child(ren) visit their classroom for a day, and complete standardized testing in Math and Reading (for grades 1-8). An applicant for 1st Grade or above must provide a copy of his/her most recent report card and a copy of the results of their most recent standardized tests scores.

The principal must be apprised of any IEP or 504 plans the child may have before acceptance can be formalized. State health requirements must also be met before a child is accepted at OLSS.

Applications for Admission are accepted throughout the school year. To be considered for admission, prospective families must submit an electronic application through TADS at:

<https://mytads.com/a/ourladystaroftheseasolomonsmd>. A \$150 application fee is due with the application; this reserves space for your child and is non-refundable, unless space is not available in the requested class.

ADMISSION PRIORITY

In order of priority, Our Lady Star of the Sea School will accept children:

- 1) Whose parents are active, contributing parishioners of Our Lady Star of the Sea or St. John Vianney parish.
- 2) Whose siblings are presently students at Our Lady Star of the Sea School.
- 3) Whose parents are contributing members of another Catholic parish.
- 4) Whose parents are Catholic but do not contribute to any parish.
- 5) Whose parents belong to another religious denomination

ADMISSIONS POLICIES

Children entering PK4 must be four years of age on or before September 1st of the enrollment year, in compliance with the Catholic Schools Office and Calvert County Public Schools policy.

Children entering Kindergarten must be five years of age on or before September 1st of the enrollment year.

Students will be conditionally accepted into Kindergarten with full acceptance contingent on displayed readiness on the Kindergarten entrance test administered by an authorized evaluator. The Early Prevention of School Failure assessment will be administered to all incoming kindergarten students.

All new students entering Our Lady Star of the Sea School must sign an "Authorization for Release of Information" form so that OLSS can request school records from their previous school(s).

ACCEPTANCE

Parents/Guardians will receive notification of acceptance to OLSS School shortly after submitting an Application for Admission in the TADS system.

New students at Our Lady Star of the Sea School are subject to a 90-day probation period to determine if both the student and the school benefit from the student's placement at the school. During this period, students will be evaluated for attendance, behavior, completion of assignments, adherence to school rules, and cooperation with teachers and staff. If any procedures or policies are not followed, the student will be removed from the school during, or at the conclusion of the 90-day period. At the end of the probation period, a conference will be scheduled between the parents, student, teacher, and principal and a final decision will be made.

ENROLLMENT

Once a child has been accepted by the school in the TADS system, the parent/guardian must complete the online enrollment process in TADS in a timely manner. The following items are required:

- 1) Immunization Policy Acknowledgement/Health Assessment, completed & signed by physician
- 2) Copy of Birth Certificate
- 3) Copy of Baptismal Certificate (for Catholic students)
- 4) Copy of school records and report cards if your child is currently enrolled in another school.
- 5) Copy of custody order, or other court orders (if applicable)

- 6) Current report card, including comments, and the two previous years' report cards if transferring from another school
- 7) Current standardized test scores plus the two previous years' scores, if available.
- 8) Completion of the Tuition Agreement in TADS

CUSTODY ARRANGEMENTS

Parents/guardians who are or become divorced, separated, unmarried, or who have other special circumstances regarding the custody of their children must provide the school with a court order or decree of custody for the student's file. This information and documentation must be provided and updated upon applying for admission, re-registration, and whenever a custody arrangement changes. The Transportation Permission Form must also be updated as needed to reflect all current custody arrangements.

Any specific instructions regarding the release of the child to a parent must be written, signed, and kept in the student's file. Any special requests for school staff to release a child to someone other than the persons indicated in the specific instructions must be written and signed by the custodial parents/guardians of record.

RE-REGISTRATION

In order to get a firm commitment from parents of students already attending OLSS, each family must pay a \$150 nonrefundable re-registration fee each Spring for the following school year. Re-Registration is processed through TADS. After the posted deadline for re-registration has passed, students who have not re-registered will be considered lapsed and their application will be included among the entire pool of applicants for the following year.

The principal may determine that re-registration of a particular student is not in the best interest of the child, or of the school. Such determination will be communicated to the family in writing. Some reasons for refusal of re-registration include, but are not limited to:

- 1) Failure to pay tuition, student fees, or other school-related expense;
- 2) Behavior by a student, parent or guardian that reflects consistent lack of respect for the school, school authorities, policies, procedures, or the faith community teaching and mission of the Roman Catholic Church;
- 3) Failure of a student, parent, or guardian to act in ways that promote the best interests of the Roman Catholic Church and school;
- 4) Refusal of a parent or guardian to collaborate with the school on recommendations made in the best interest of the student, such as diagnostic testing, referral to counseling services, behavioral assessments, and/or other educational recommendations necessary to the student's academic success; or
- 5) Unwillingness of a parent or guardian to grant the school access to confidential information/access necessary for the education of the child. Examples include information available from existing evaluations or permission to speak to the child's pediatrician, therapist or counselor.

FINANCIAL POLICY

TUITION PAYMENTS

OLSS School is firmly committed to providing an opportunity for a Catholic education with tuition costs that are reasonable for most families.

In order to receive the Catholic Active Parishioner Grant, the student must be part of a practicing Catholic family and complete the Catholic Active Parishioner Grant Application. Families who are not active parishioners of a Catholic parish or are non-Catholic will not be eligible for the Catholic Active Parishioner Grant, but may apply for Tuition Assistance.

All families shall be expected to make tuition payments according to one of the school's available payment plans. Each family's preferred manner of payment must be submitted each year at the time of student enrollment. Tuition payment options are:

- 1) One payment, made in August
- 2) Two payments, made in August and February
- 3) Four payments, made in August, October, January, and April
- 4) Ten payments, made once a month from July through April

All payments can be made by automatic debit or credit card charge directly to TADS. There is an additional one-time \$45 school fee for families who choose the 4- or 10-month payment plan. Payments are due on the 10th of each month. A fee may be charged if the tuition payment is late. A \$50 fee will be charged for each returned payment.

Tuition for students registering on or after the first day of school will be prorated over the number of school days they will be in attendance according to a formula established by the pastor, principal, and tuition bookkeeper.

CONSEQUENCES OF LATE PAYMENTS & OVERDUE ACCOUNTS

It is the responsibility of each parent/guardian to keep the pastor and principal informed of their need to make any changes in their tuition payment preference option or adjustment in the amount of tuition expected to be paid. The school will work with families to set up alternate payment plans if necessary.

It is crucial that tuition payments be made promptly every month. Accounts are considered delinquent after 60 days. Students will not be permitted back to school if tuition is in arrears, and parents have not contacted the pastor/principal. This policy will be strictly enforced, and late fees will be applied directly through TADS.

Our Lady Star of the Sea School reserves the right to cancel the registration of any student(s) whose family fails to satisfactorily meet its tuition or any other financial obligation. Student report cards, access to PlusPortal, results of standardized testing and/or transfer information will not be sent or completed until all past due balances are paid.

Our Lady Star of the Sea School reserves the right to request that all financial obligations including outstanding tuition payments, lunch account debts, and any unfilled volunteer service hours to be paid by **June 5**. All overdue financial obligations will then be billed to your TADS billing account and payments will be made through TADS.

Unpaid financial obligations will be turned over to a collections agency. If it becomes necessary for OLSS to institute legal proceedings to collect tuition, the parents/guardians will be responsible for all legal/attorney fees.

WITHDRAWAL

The school will not forward records for students who withdraw with an outstanding tuition balance.

Withdrawal from School before August 15: Due to financial obligations and agreements with our teachers, the school must be notified in writing before August 15 if your child is not returning for the 2023–2024 school year. July & August tuition payments are non-refundable. Withdrawals by this date are obligated to pay the July & August tuition.

Withdrawal from School after August 15 but before 2nd Quarter begins: Withdrawals during this timeframe require the 1st quarter's tuition to be paid in full.

Withdrawals from start of the 2nd Quarter through the end of the school year: The full school year's tuition is expected to be paid.

Military transfers, as the law requires, receive a full, pro-rated refund.

Any refund requests require at least 5 business days to process.

TADS charges a \$5 fee for refunds that are the parent/guardian's responsibility to pay.

VOLUNTEER SERVICE PAYMENT

Each family must meet a volunteer service payment of 40 volunteer service hours (20 hours for part-time PK students) per school year. Volunteer opportunities are posted on the school website throughout the year and include helping in school, fundraising activities, etc.. No less than 10 hours must be served at a Community Building Fundraiser.

Alternatively, parents/guardians may choose to make a cash payment for volunteer service hours to the school.

The volunteer service payment is a financial obligation. Families that have not completed the volunteer service payment by the last month of school will be billed for their unfulfilled hours at a rate of \$30/hour with the last direct payment of the school year.

ATTENDANCE

ARCHDIOCESAN SCHOOL ATTENDANCE POLICY

The following are valid reasons for excused absences from school (if properly documented upon the student's return to school):

- 1) Illness of the student (after three days of illness, the student **must** provide medical documentation indicating that he/she is able to return to school)
- 2) Medical or dental appointments
- 3) Death in the student's immediate family
- 4) Necessity for a student to attend a judicial proceeding
- 5) Lawful suspension or exclusion from school by the principal
- 6) Temporary closing of facilities or suspension of classes due to severe weather, official activities, holidays, malfunctioning equipment, unsafe or unsanitary conditions, or other conditions requiring closing or suspension of classes
- 7) Other absence(s) approved in advance by the principal upon the written request of a parent or guardian. Sufficient notice should be given to the school in order to provide anticipated student work that the student is expected to complete during their absence. Failure to provide sufficient notice may result in an unexcused absence.

Any absence that does not fall into one of the above categories or is not properly documented by the student's parent/guardian is an unexcused absence.

Start time in school is essential to the learning process. In the best interest of the child, parents are encouraged to schedule family vacations during times when school is not in session. Class assignments and/or homework for absence due to a vacation will NOT be given prior to the vacation.

Any time a child misses school, it is the responsibility of the student and parents to obtain and complete missed assignments within the time allotted by the teacher(s). Assignments given prior to the child's absence, long range projects included, are due upon the child's return or on the assigned date unless other arrangements have been made with the teacher ahead of time. If work is not made up, a zero may be recorded for missing assignments at the teacher's discretion. Arrangements for making up missed tests are at the convenience of the teacher/parent. In the event of an extended illness, individual learning plans will be developed for students.

Students are expected to be in school every day that school is in session; however, any student who has signs of fever, sore throat, headache, etc., should not be sent to school. Absences/illnesses for 3 or more days **require** a physician's note. A student with a rash is not to be sent to school unless a physician's statement indicating that the rash is not contagious is sent with the child.

If a student is going to be absent from school, parents should inform the school by phone or email between 7:30 - 8:30am. Upon return to school, the student will have up to two school days to make up daily work assigned on each day absent. Long-range work, previously assigned work, or projects will be given an extension date at the teacher's discretion.

Habitual tardiness is discouraged. It disturbs classroom routine and robs students who are on time for class as well as the latecomer of valuable learning time. A student is considered late if he/she arrives after the 8:00am bell. A student arriving after 10:30am or leaving before 12:30pm will be marked ½ day absent.

Doctor/Dental appointments and family vacations should be after school hours or on days scheduled as school holidays. Family vacation during the school year is extremely disruptive to the student and teacher. The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or during these times so as to eliminate the need to interrupt a child's learning process. If parents choose to remove students from school, the assignments missed must be made up upon return to school. Students miss an extended period of school days may be subject to retention.

TRUANCY LAW:

Under Maryland State law, a student is considered truant if they miss more than 8 school days in a quarter, 15 days in a semester, and/or 20 days in a school year. By law, truancy must be reported and retention may be necessary.

HEALTH

HEALTH REGULATIONS

Maryland State Law requires children in ALL grades to provide proof of Diphtheria, Pertussis, Tetanus, Polio, Measles, Mumps, Rubella, Varicella, Hepatitis, and Meningococcal vaccinations. Every student must have an Immunization Record on file in the school office BEFORE the first day of school. Families who do not submit written proof of proper immunizations will not be admitted to school.

Complete health examinations are required prior to entrance into school by ALL Pre-K students, and all NEW students in K – 8th Grade.

ILLNESS

If a child is running a fever of 100°F, is nauseated or ill at home before school starts, **DO NOT SEND THE CHILD TO SCHOOL**. Sending the child to school exposes others to possible illness. When a student will be absent from school due to an illness, a parent is required to call the school office with the nature of the illness by 8:00am.

Children will be sent home if any of the following conditions exist, so please keep your child home in the morning if he/she exhibits:

- Diarrhea or vomiting
- Severe cough
- Yellowish, watery or red eyes
- Difficult or rapid breathing
- Abnormal body temperature or fever (below 97°F or above 100°F)
- Severe headache
- Head lice

In the event that a child becomes ill at school, the teacher will send the child to the office where the school Nurse or Med Tech will examine them and notify the parents. If the child is running a fever, the parent must come to the school **as soon as possible and within 30 minutes** and transport the child home. In the case of accident or emergency the parent also must pick the child **within 30 minutes**, or the school will call 911 to have the child transported to the Emergency Room at Calvert Health Medical Center (formerly Calvert Memorial Hospital) in Prince Frederick.

COMMUNICABLE DISEASES (Not COVID Policy)

Whenever a child has a communicable disease, the parents must notify the school office by phone call, email, or written notice, so that health records may be kept up to date. Following certain communicable diseases, a definite period of absence from school is required. Since cases vary greatly, it is recommended that a child see the family physician, who will determine if the child is ready to return to school.

For cases of strep infection, ringworm, impetigo, conjunctivitis (pinkeye) and other infectious conditions, a child must be on medication for 24-48 hours, and be symptom-free prior to returning to school. A child's temperature must be within normal range for at least 24 hours without fever-reduction medications before returning to school. Children must be free from nausea, diarrhea and vomiting without the use of medications for 24 hours before returning to school. If a child is diagnosed with head lice, he/she must be completely lice-free before returning to school. The child will have their hair inspected by the school nurse before they are allowed to return to their classroom.

A note is required from the parent and doctor if a student is able to come to school but unable to participate in school activities such as Physical Education.

Any allergies to foods, insects, and medications must be included on children's Emergency Information form. If a child is allergic to bee stings, the parent must provide a bee sting kit to be kept in the school office. If a child has food allergies, parents must provide an EpiPen with completed medical form from their physician to the School Nurse.

ADMINISTRATION OF MEDICATION

The Archdiocese of Washington, in compliance with the State of Maryland, mandates that schools must have proper documentation from a physician to administer ANY prescription or OVER THE COUNTER MEDICATION. In the event that ANY medication must be administered during the school day, the parent must complete a Student Medication Authorization before school personnel can comply with their request.

If a child must take medicine during the school day, parents must obtain a Student Medication Authorization form from the school office or school website. The form must be completed and signed by a physician and signed by the parents. This form must be dated, the medication identified, the dosage and the time of distribution stipulated, as well as the anticipated duration of the treatment and any side-effects which may occur.

For the safety of the children and to comply with state health regulations, NO STUDENT IS TO HAVE IN HIS/HER POSSESSION ANY MEDICATION DURING THE SCHOOL DAY, INCLUDING LIP BALM, THROAT LOZENGES, AND COUGH DROPS. ALL MEDICATION MUST BE KEPT IN AND DISTRIBUTED THROUGH THE NURSE'S OFFICE. PARENTS MUST INFORM THE SCHOOL AUTHORITIES OF ANY HEALTH PROBLEMS OR ALLERGIES THEIR CHILD MIGHT HAVE. THE SCHOOL SHOULD BE NOTIFIED IF A CHILD IS ON MEDICATION OR WHEN THERE IS A CHANGE IN A CHILD'S MEDICATION.

PERSONAL HYGIENE

The health and safety of the students demands that unless a child has a documented disability that prevents him/her from being toilet trained by the age he or she is eligible to attend pre-kindergarten or kindergarten, all children who attend OLSS School are expected to be able to handle their own personal hygiene needs

independently, including managing their clothing, toileting and clean up, and hand washing. When a child has an occasional toilet accident, staff members will contact the child's parent(s). If a student's accidents become a documented pattern, the principal will provide the parent verbal and written notice. From that point forward, the parent will be contacted and will be expected to come and change the child or pick the child up from school in the event of a toilet accident. The principal reserves the right to determine if a child may not return to school until they are completely toilet trained and accident-free.

EMERGENCY CONTACT & MEDICAL INFORMATION FORMS

Forms are sent home the first week of school for parents to fill out with emergency phone numbers and medical information. IT IS EXTREMELY IMPORTANT THAT THESE FORMS BE RETURNED PROMPTLY AND THE INFORMATION IS KEPT UP TO DATE. Parents will also be asked to provide contact information and dismissal directions in the event of an emergency school closing. Parents should have another local contact besides themselves on the emergency form.

If there are any changes to regular contact or emergency contact information during the school year, the school office **MUST** be notified.

ACADEMICS

CURRICULUM

The curriculum at Our Lady Star of the Sea, guided by the teaching of the Catholic Church, will enable each student to reach his or her full potential. The curriculum is aligned to the standards of the Archdiocese of Washington. OLSS follows the curriculum guidelines formulated under the direction of the Catholic Schools Office of the Archdiocese of Washington. This includes the curriculum guidelines on religious education, each subject area, human sexuality, and environmental education. Formal and informal instruction is provided to help each student grow in knowledge, skills, personal and social traits, and service to the Church and community. Each child enrolled in Our Lady Star of the Sea School will participate in regular religion classes, weekly liturgy, weekly Adoration, and paraliturgical celebrations that commemorate the seasons of the Church year.

HOMEWORK

The purpose of homework is:

- 1) To reinforce learning that has taken place in school.
- 2) To foster habits of independent study.
- 3) To relate school learning to out-of-school experiences.
- 4) To foster unity between home and school.

Generally, students will have homework each weeknight. There will be occasions when students do not have written assignments, but they are expected to study or practice skills each school night. It is highly recommended that parents check homework each evening. For the average student, the following time allotment should be expected:

- | | |
|-------------------------------------|--|
| • Grade 1: approximately 10 minutes | • Grade 5: approximately 50 minutes |
| • Grade 2: approximately 20 minutes | • Grade 6: approximately 1 hour |
| • Grade 3: approximately 30 minutes | • Grade 7: approximately 1 hour 30 minutes |
| • Grade 4: approximately 40 minutes | • Grade 8: approximately 2 hours |

In case of absence, students will have up to two days to make up new class work and homework assigned on each day absent. Missed tests will be administered upon consultation with the teacher. While it is discouraged, if family vacations are taken during scheduled school days, the student will be responsible for making up missed work upon return. Homework and schoolwork will NOT be provided by the classroom teacher during the vacation. Student assignments that are turned in after the deadline may be marked down as late assignments.

PROMOTION/RETENTION

A student will be promoted to the next grade when he/she has successfully completed the previous grade. A student may be retained in Grades K-3 if he/she has not mastered the skills necessary for success in the next grade. Retention in the primary grades is normally dependent upon the development of reading and language arts skills. If a child is to be retained, report cards and daily papers must consistently show marks which indicate failure to progress. A conference with parents to advise them of the possibility of retention and to discuss possible remedial actions should be held no later than the end of the first semester. Follow up teacher-parent conferences to evaluate academic progress of the child must be held. The principal, after consultation with appropriate staff members and parents, will make the decision as to whether or not a pupil is retained.

Students in grade 4 through 8 who do not maintain a 70% average in core subjects for the year MUST successfully complete an approved summer school program in order to be considered for promotion to the following grade. If he/she does not maintain a 70% average in two or more classes, they face possible retention.

Additionally, students accruing excessive absences over the course of the school year that affect their academic growth may possibly be considered for retention. Under Maryland State law, a student is considered truant if they miss more than 8 school days in a quarter, 15 days in a semester, and/or 20 days in a school year.

REPORT OF ACADEMIC PROGRESS

Report cards are distributed four times a year for students in grades 1-8. Parent-Teacher conferences are held for all parents at the end of the 1st quarter. If a child experiences difficulty, a conference between the parent and teachers can be arranged at any time. This may be done by writing a note to the teacher or by calling the school office. Please do not call teachers' homes unless a teacher specifically requests it.

Pre-K and Kindergarten students receive two reports cards a year, at the end of each semester. Parent-Teacher conferences are held for parents of Kindergarten students at the end of the first quarter. Parents of students in grades 4-8 can access up-to-date information about their student's grades in Plus Portals. The final report card will be mailed after the end of the school year after all financial obligations have been met.

HONOR ROLL

Students in Grades 4 - 8 are eligible for the Honor Roll. A student must have all A's to achieve first honors. To receive second honors, a student must have all A's and B's. Good or Excellent must be earned in special subjects to receive honors.

LEVELED CLASSES

In addition, receiving a 'comment code' number of 21, 22, or 23 in three or more areas will render the student

academically ineligible. Academic eligibility will be determined at interim and quarterly marking periods.

TESTING

The testing program is designed to provide information concerning each child for the purpose of planning for his/her total education and development. In accordance with the Archdiocesan Catholic Schools Office's regulation on testing, standardized assessment is administered online to students Kindergarten through 8th grade. This testing program will be used to determine a baseline of skill levels at the beginning of the year and progress made by students at mid-year and end of the school year. Students in grades 3-8 also take the Archdiocesan Faith Assessment in the spring of each year (or possibly at mid-year).

A child's scores on standardized tests will be shared with the parent and will also be filed in student's cumulative folder. No individual or agency outside of the school system will be permitted to inspect a child's school records without the written permission of the parent and in the presence of school personnel.

A high school placement test is given to the 8th grade students pursuing Catholic High School entrance in November or early December.

PROCEDURES

ARRIVAL & DISMISSAL

Regular school hours are Monday-Friday, 8:00am – 3:00pm. All students are expected to be in their homerooms by 7:55am. After 8:00am, they are marked tardy. Students are dropped off in the carline. Parents may walk their child(ren) to the main school entrance after parking away from the carline, but may not enter the school building.

Students are dismissed at 3:00pm daily.

TRANSPORTATION

Parents should notify the school in writing if someone other than the usual driver is picking up the student. A parent may not transport a child, other than his/her own, unless written or verbal permission (in person or by phone to the School Office) is available from the other parent.

Students who are usually bus riders will ride the bus unless a note, email, or phone call from a parent states otherwise. If someone other than the parent picks up a regular bus rider, the parent needs to state who will be transporting the student.

Parents who pick up their children in the afternoon carline do so only in the parking lot behind the school. The parking area between the convent and rectory, Sedwick Street, and the gravel lot are off-limits to parents of OLSS children. The former is reserved for Our Lady Star of the Sea parishioners who have appointments at the rectory, and the latter is for teacher parking. **Students are not to be dropped off or met in any area other than the main parking lot.** At the end of the school day, students who are car riders become the responsibility of their parents; consequently, it is imperative that children be met promptly. After dismissal, teachers are not responsible for students. Parents picking up children late, who have not called the school, are to come into the school to meet and sign out their child(ren).

Habitual late pick-ups after afternoon dismissal will result in financial consequences.

Students leaving before the end of the school day, must present a handwritten note (not an e-mail) to that effect to the homeroom teacher. Students will not be dismissed between 2:30-2:45pm when school staff are preparing for the afternoon dismissal procedures.

Visitors and volunteers coming into school must report to the office, sign in, and receive a volunteer/visitor nametag.

EMERGENCY SCHOOL CLOSINGS

Our Lady Star of the Sea follows the same procedures as Calvert County Public Schools in inclement weather. In the event that OLSS must deviate from the above policy, announcements will be made through the Rediker mass notification system, an emergency communication program (phone, text, and e-mail) set up by the Archdiocese of Washington. Parents are expected to respond within 30 minutes.

FIELD TRIPS

In the event that a teacher arranges an educational field trip for students, parents must sign the Archdiocesan Field Trip Permission Form and pay the specified cost. No child may participate without the proper signed consent form. The school will exercise care in planning and following safety procedures for such trips.

Such trips are considered part of the educational program, and every student is expected to participate. A student who does not participate in a field trip will be marked absent if s/he does not attend school on the day of the field trip, and a make-up assignment may be given as an alternative.

The school has the right to refuse to take a child on a field trip if the child fails to meet academic or behavioral requirements.

On all field trips, the students must travel with the class to and from the destination. Only pre-approved chaperones who have completed the ADW Virtus Child Protection Program are allowed to chaperone field trips. Siblings are not allowed to attend school-sponsored field trips.

LUNCH & RECESS

All children in OLSS will have two regular breaks; one in the morning when a small, healthy snack may be eaten, and one longer recess before or after the lunch period. Outdoor recess is a time of exercise and play for the children.

All children should bring a healthy morning snack, lunch (unless purchasing hot lunch), and a refillable plastic water bottle (no glass water bottles). Glass-bottled drinks, sodas, energy drinks, and other high sugar content beverages are not permitted.

Hot lunch is served each day at a cost of \$4 per meal, or students may bring their lunch from home.

During lunch time students are required to:

- Sit at their designated table while eating.
- Talk quietly with the people at their table.
- Clean up any spills, pick up any paper, and put all trash in proper bins.
- Stay at the table until dismissed by the lunch monitor.

ACADEMIC RECORDS

A parent/guardian may request to review/inspect information in their child's permanent and temporary records within a reasonable amount of time (never more than 45 days after the request is made). Parents of students transferring to other schools must notify Our Lady Star of the Sea School in writing and must sign an official release form before records are forwarded to the receiving school. The transfer of any student's records shall be contingent upon fulfillment of all financial obligations.

OLSS abides by the provision of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, OLSS will provide a non-custodial parent with access to the academic records and other school-related information regarding the child.

SCHOOL SUPPLIES

Students are expected to have the necessary school supplies for every day. A list of required supplies is provided to parents before the start of the school year, and is expected that they be replenished as needed.

EVENT INVITATIONS & GIFTS

If your child is planning a party or celebration outside of school, invitations may only be given out at school if every child in the class is invited (or all the boys / all the girls.) Please follow rules of common courtesy during school to prevent hurt feelings.

If a student wishes to share holiday or birthday gifts with other students, gifts should be exchanged outside of school, unless all students in the class are included.

COMMUNICATION

The primary method of communication from the school is by Rediker School Notification System emails. Every Wednesday, an email message will be sent to all families with the weekly newsletter from the principal, and additional school-related information. Any hard copy items, including quarterly progress, report cards, and field trip forms will be given to students by their teacher to bring home.

Communication between teachers and parents is highly valued at OLSS. Parents are encouraged to contact teachers if there is a problem or concern. The options for communication are:

- Call the school office to make an appointment or to contact a teacher. The teacher will return the phone call as soon as possible.
- Send a note for the teacher in with your child, or to the school office
- Email the teacher via their OLSS email address only for questions regarding homework, assignments, etc. Do not email the teacher through their personal email address or any social networks such as Facebook.

While OLSS is a Christian community, disagreements may occur. Parents are asked to pursue the appropriate channels of communication with teachers or the principal, and not to post any inappropriate, defamatory messages about the school or staff on social media outlets such as Facebook and Instagram.

The chain of communication is first with the student's teacher, then with the principal, and then, if necessary, with the pastor. It is the policy of the ADW Catholic Schools Office not to entertain any local concern until the proper channels on the local level have been followed.

Teachers will usually contact parents by telephone or by a note sent in a sealed envelope. Teachers in the Upper School (6th, 7th, & 8th) will communicate to parents/guardians specific middle school policies regarding late assignments and disciplinary procedures. This will normally be done on Back to School Night.

DISCIPLINE

While the school strives to provide an atmosphere that is pleasant for students, it must also be sufficiently structured to provide an environment in which learning can take place. Discipline in a Catholic school is an important part of moral guidance. Students are subject to the school's disciplinary code whether their inappropriate behavior occurs **on or off** school property, or over any communicative forums, including but not limited to, internet, intranet, cell phones of any kind, or other electronic devices or media.

The purpose of discipline is:

- 1) To promote moral, spiritual, and physical development.
- 2) To develop self-discipline.
- 3) To develop respect for one's self and others.

Students shall comply with the rules of the school and submit to the authority of teachers and others in authority over them. It is the student's responsibility to:

- 1) Conduct him/herself as a Christian young person at all times.
- 2) Have respect for the person and property of teachers, all adults, and fellow students at all times.

- 3) Use proper and courteous language at all times.
- 4) Wear the school uniform properly at all times and for all classes (Refer to the Dress Code).
- 5) Be prepared for each class by having the necessary supplies and assignments.
- 6) Leave the building only at specified times, and enter rooms only with the permission of the teacher and in the presence of school personnel.

Students must abide by this code of conduct. They are expected to be respectful in their interactions with others. Some examples of unacceptable behavior are:

- Deliberately disrupting a teacher's class or the general quiet of the school
- Speaking disrespectfully to any teacher, adult, or student
- Behaving in a disrespectful manner in church
- Cheating on tests or school assignments, or any other dishonest behavior
- Using profanity or derogatory language, and/or making obscene gestures
- Fighting, harassing, or bullying another student, i.e. any actions that result in deliberate, hurtful acts or statements that physically or emotionally hurt, frighten or threaten another student
- Throwing rocks, sticks, snowballs or anything that might injure another student

Students must show proper respect for all school property and will be held responsible for any damage to school property. School property includes books, the building, instructional equipment, educational and sports equipment, and the school grounds.

Students are required to have book bags in order to protect school property. Hardback textbooks will have covers on them at all times.

Students are not allowed to chew gum on school/church property.

Students must not have cigarettes, or other tobacco products, alcoholic beverages, drugs, fireworks, or weapons on school property. *

Students are never permitted to run inside the building.

Students are to maintain quiet during class changes and snack break, out of consideration for business being conducted in the office and for other classes that are in session.

In the event of a fire drill, students are not to talk or push.

Students may not enter the building during recess or after dismissal without permission from a teacher/staff member. Students may not leave school property without permission.

Students may not be absent from school without the knowledge of parents.

Students who bring their cell phone or other electronic devices to school must turn it into the school office in the morning and may pick it up at the end of the day. Students who would like to bring electronic devices to school for reasons such as a long bus ride, must first receive permission from the principal and must keep the item in their backpack during the school day.

Students are required to follow all uniform and non-uniform regulations.

ALL infractions of the Discipline Policy will be reported to the Principal, who will then discuss the matter with the child's parents. The Principal, in consultation with the pastor and/or teachers, reserves the right to determine whether an incident constitutes a serious infraction. Parents will be notified as soon as possible in cases of significant disciplinary situations that involve their child/ren.

***The school principal (by state law) reserves the right to inspect desks and bags of any type brought onto the school premises. All contraband items will be seized and appropriate measures will be taken.**

THREATS

In the event of any actual or perceived threat of violence or other inappropriate illegal behavior, Our Lady Star of the Sea School reserves its right to take any and all actions it deems necessary for the health and safety of its school community, including the individual(s) making the threat. These actions may include contacting law enforcement offices, mental health professionals and/or any other outside experts as the school official(s) deems necessary.

SUSPENSION

In cases of serious violation of school rules and regulations, when all other normal disciplinary procedures have been followed, it may be necessary to consider temporary in-school or out-of-school suspension. As soon as it becomes evident that the suspension of a particular student is appropriate, the student's parents/guardians will be notified and asked to confer with the proper school authorities about the matter. In all cases, written records of each suspension will be kept on file for the duration of the student's enrollment in the school. The following procedures will be followed:

- 1) The student and parents/guardian will be given oral and/or written notices of the charges against him/her.
- 2) The student and parents/guardian will be given an explanation of the evidence.
- 3) The student will be given an opportunity to present his/her side of the story.

EXPULSION

If it is determined that a student's interests would be better served in another environment, or that the individual's behavior poses a significant threat to him/herself or a threat to others, a student may be expelled.

PROCEDURES AND REGULATIONS GOVERNING EXPULSIONS

The administrator of the school must contact the Catholic Schools Office before any action regarding expulsion takes place. Under ordinary circumstances, the student will have been suspended at least once during that school year.

The principal is the final recourse in all disciplinary situations.

The Archdiocese of Washington has implemented a Child Protection Policy for the safety of the children in our diocesan schools and parish ministries. - 2) Completing and submitting a "Volunteer Application" form,

By law, any instance of known or suspected child abuse must be reported to civil and Archdiocesan authorities.

SUSPECTED CHILD ABUSE/NEGLECT:

The Code of the State of Maryland requires any childcare worker or teacher to report a suspected case of child abuse or neglect to the local social service agency. The law specifically provides that any person participating in good faith in the making of a report of suspected child abuse shall be immune from liability, civil or criminal, which might be incurred with respect to the making of such a report.
