Has your unit ever had a Board Member(s) attend the National PTA Convention? If yes, how many members and when?

Receiving a Louisiana State PTA Grant to attend the National Convention obligates the Local Unit Attendee to participate as a member in a District-Level project. The specific project is to be determined by the District Executive Board and the Attendee. Failure to participate requires the Local Unit to return the entire amount of \$1000 to the Louisiana State PTA.
