Saturday Sportsman – blue arrows – some fresh trail, some established stuff, grass track & two creek beds.

Sunday – red arrows – 2/3rds of the trail is different from Saturday with lots of fresh cut.

50s – orange/black arrows with green ribbon – totally separate trail/start/scoring for the little rippahs. Fun, easy, very rider friendly course.

65/85/Ladies – orange/black arrows with purple ribbon – some new trail that these classes have never seen with some totally new stuff, a couple of creek crossings and maybe 1 or 2 logs.

This race is NOT rocky – very different that most Missouri properties. We got some rain Tuesday and some Thursday and could take some more. There is some moisture in the woods.

It's going to be hot. Drink plenty of water – stay in the shade – pay attention to your body – and to your fellow riders. Highly recommend using a hydration system of some sort.

Be sure that you go signup BEFORE you go out to practice – please come to the riders' meeting(s) – PLEASE respect the property & no riding after dark.

GOOD NEWS – Stockton Lake beach access is just a few miles away...nice place to cool off after all the epic racing action...meet y'all there!!

MORE tees/tanks for \$20 – very limited quantities – be cool & represent...

Directions: From Fair Play, go West on Hwy 32 for 5 miles to "H". Turn left on "H" and travel 0.3 miles to Road 2275. Turn left on 2275 and follow about 1 mile until it dead ends at race entrance.

Looking forward to seeing everyone THIS weekend for MORE fun!!
