Moose Madness Gets a Makeover with Headliner Kid Band, The Bazillions!

During MEA Weekend Oct 19-2

Grand Marais, Minn. – Sept. 11, 2018 -- Families can head north for MEA weekend to un-plug and play moose themed activities, Friday, Oct. 19 – Sunday, 21 at the Moose Madness Family Festival. The long running festival gets a makeover with the addition of kid rock-n-roll band The Bazillions on Saturday, Oct. 20. Festival-goers can spend the weekend earning and spending “moose bucks” by participating in scavenger hunts, a race, arts, and much more.

Big changes to Moose Madness this year

starting with the move of Moose Headquarters to Grandma Ray’s restaurant and bar, which features a stage to host Minneapolis based kid rock-n-roll band The Bazillions on Saturday from 11:30 am - 3:30 pm. Visitors will be able to spend the rest of the weekend hunting for the Moose Medallion. Clues will lead visitors around town until the medallion is found. Saturday afternoon, families can compete in the annual Moose Mosey, a short, kid-friendly “race” along the Grand Marais Harbor. While roaming around town, keep an

eye out for the festival’s mascot, Murray the Moose. He’s happy to pose for photos. Earn a moose buck by posting your mug shot with Murray online! Don’t just stick to the

festival activities in town, venture out on a moose-adventure. Visitors can bike, drive or hike on the Gunflint Trail, where there is a chance they will catch a glimpse of one of the elusive 3,500 local moose in

the Boreal Forest. For more information and a full schedule of all of the weekend’s events and activities: <https://www.visitcookcounty.com/event/moose-madness/>

Sheriff's Report

Monday, September 3, 2018

•1941 Deputy makes traffic stop on Hwy 2 at Beaver River Rd. Warn for speed.
•2036 Deputy takes report of dog

Volunteer Celebrations! Bone Builders continues to grow in Cook County!

Nancy Frischmann, RSVP Coordinator

Almost one year has passed since Bone Builders began in Tofte at the Birch Grove Community Center under the leadership of Ginny (Virginia) Cooley, Director of Fitness for W.E Connect, and Nancy Koloski. This fun, effective and free class welcomes participants of all ages and ability levels. Bone Builders is a nationally-praised exercise program started by Tufts University in 1995, designed to help prevent osteoporosis, improve bone mass and strength, and improve balance. The goal is to help seniors feel stronger, maintain their independence and quality of life and provide an opportunity to socialize. The Tofte class meets twice weekly, on Mondays and Wednesdays from 10:00 to 11:00. Ginny and Nancy have seen many positive outcomes from their classes. Deonn Cicak, one of the Tofte class members shared the following:

“After an hour session of Bone Builders, I feel relaxed, rejuvenated, empowered, and strong! The exercises focus on maintaining and building muscle strength (but not bulging muscles), and increasing balance, enhanced by the benefits of social connections. The exercises are low-impact, but include warm-up exercises to get your heart rate up and loosen muscles. They are not “old lady or “old man” exercises....they can “give you a burn”, they can stretch out tight muscles, and they have been proven to maintain healthy bone density. Working out with a group on a regular schedule makes it easier to maintain these benefits, preventing “slacking off”. Everyone is encouraged to participate as they are able, with modifications as necessary. Besides....we crank up the music and have fun! I highly recommend Bone Builders to everyone!”

The wonderful part of Bone Builders is it is a free, entirely a volunteered program. The Lake and Cook County programs have grown from two classes with two leaders held only in Two Harbors, to numerous classes with over 125 participants in Two Harbors, Silver Bay, Finland and Tofte. The program benefits even those who are lucky enough to have not had broken bones or who do not have concerns with Osteoporosis. Research from the National Osteoporosis Foundation shows that 50% of women and 25% of men age 50 and older will have an osteoporosis-related fracture in their lifetime. As the executive director of the foundation, Judith Cranford states “It is important for all individuals-regardless of age-to take steps to protect their bones. What good are strong minds and hearts if our bones are fragile and crumbling?”

Tofte Classes meet twice weekly at the Birch Grove Community Center. Mondays and Wednesdays from 10:00 until 11:00 a.m. Questions? Call Nancy at 226-8809

Arrowhead RSVP is part of Senior Corps and sponsored by AEOA. Funding is provided by the Corporation for National & Community Service; MN Board on Aging; Lake County.
