CORPORATE PARTNERSHIP

Dear Future Corporate Booster Club Partner,

Welcome!

The Jordan Booster Club raises money for the Jordan Public Schools Activities Programs. We are announcing the 2019-2020 Corporate Partnership opportunities. Our programs survive on the volunteers, corporate and family financial support, and community spirit.

We invite you to review the enclosed sponsorship levels, determine what fits best for your organization or family, and we promise we will proudly recognize you in many ways throughout the year at all the activities taking place at Jordan Public Schools. We also realize that there are multiple ways in which you can be recognized; therefore, we have provided a variety of diverse opportunities to fit your organization's needs..

Jordan Public Schools make amazing strides each year to ensure they are preparing students for the future. However, we'd like to extend their resources to offer our students more. We can do this with your partnership in the Jordan Booster Club Corporate Partnership program. Your impactful gift will be used for scholarships, provide resources for all activities and athletics, and nurture artistic expression — it's really up to you!

Thank you for your consideration,

Jordan Booster Club
