Thank you!

All participants will enter the festival site at the driveway indicated with the sign "Participant Entrance". The first actions upon arrival are to sign in at "Site Safety", receive your faire gate pass, and current information. You will then be directed to the appropriate area for parking, or setup. You must be "Gate Listed" to enter the Festival through the participant's entrance. All participants are subject to having their ID checked. Wrist band ID passes must be worn on wrists or ankles to be in the parking, or Festival site at any time. These bands will be checked! A replacement ID band can be purchased for \$5.00. Do not give your pass to anyone else. This will result in dismissal from the festival of both parties.
