A Clean-Up Smash!

On October 28, over 75 property owners, tenants, kids and neighbors gathered together to clean up graffiti and trash in various parts of the Silverlake area. They were joined by Deborah Bell from Operation Clean-Sweep, the Clean and Green Team from LA Conservation Corps, Bill Medina from Rampart P.A.C.E. and Joe Writer from Northeast Police Division. Meeting first at the Russian Orthodox Church parking lot and dividing up into teams, the enthusiastic cleaners painted away over 5000 square feet of graffiti and filled two 15' x 5' dumpsters full of trash, furniture and debris.

The most spectacular change occurred in the alley just west of Vendome Street off Sunset Boulevard where drug dealers and homeless had taken over the area. After the clean-up, they were gone and haven't returned since. They can't stand our cleanliness!

After a long morning of hard work, the group met back at the Church to be rewarded with a delicious lunch donated by many of the local businesses and individuals. Thanks to all the dedicated Association members who lent a hand: Sunset Team led by Rose Garcia and Joe Radogna; Marathon Team led by Mary Ann Kunkel, Paul Kachel, Carmen Fabra and Sonja Ackerman; The Coronado Team led by David Bermudez and Susanna Whitmore and special graffiti removal artist, Pete Quesada; and the Vendome Crew, headed by Dina Hernandez and David Gehl.

For the Record

Our October 19 Meeting

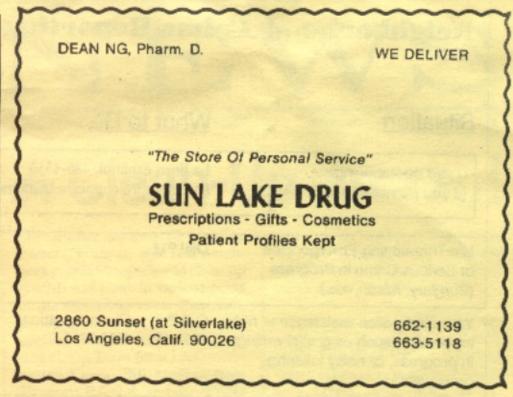

On October 19, Bob Ferber, the Assistant City Attorney for gangs, met with us to share his expertise and experience in handling gangs and their crimes. Bob's office is currently working with other communities such as ours and winning the fight against gangs. His example of how the Hollywood property owners banded together to handle prostitution was inspiring and emphasized the importance of being organized as a group and using our combined voice to get the asistance we need from others. Bob expressed his willingness to help apartment owners with drug and crime problems, to come up with effective ways to handle them. He volunteered to meet with the apartmentowners along Vendome Street who are facing these problems on a daily basis.

As a result of this, Bob and Bill Medina, Sr. Lead Officer of Rampart, met with several apartment owners from Vendome. The result was the formation of the Vendome Property Owners Association, headed by Eddie King. Eddie and his associates plan to communicate in volume to the correct agencies to stop the crime and drugs on their street. Anyone is welcome to join, especially those of you who live on Vendome. Call Eddie at (213)254-2874.

Many thanks to Bob Ferber for helping to create this!

Our October 5 Meeting

On October 5, Warren Davis, a mcoln Heights community ader, shared his successful actions in ridding his neighborhood of gang and drug activities. Warren pointed out the importance of establishing an excellent working

relationship with the police department. It is also important to take down and report license plate numbers of cars coming into the area to purchase drugs. He mentioned that if the neighborhood looks well-cared for, without graffiti and abandoned cars, it acts as a deterrent to criminals.

Graffiti Summit

A Graffiti Summit will be held on Saturday, December 9, from 9 am -2 pm at the City Hall. This event is open to everyone and all are encouraged to attend. It will be an open forum on how we can remove graffiti from our streets. Citywide participation is expected and your ideas are welcome and important. Contact Deborah Bell at Operation Clean-Sweep for more information. Her number is 237-1797.
