NEWS RELEASE

March 13, 2020

FOR IMMEDIATE RELEASE

Dr. Phillips Soccer Club suspends all activity starting Monday, March 16

ORLANDO, FL- Dr. Phillips Soccer Club will suspend all activity; across all levels, effective Monday, March 16 until the expected day (March 29). DPSC officials will continue to coordinate with local officials and will continue to follow CDC guidelines. DPSC board will meet constantly and reevaluate resuming functions depending on local official guidelines.

DPSC`s number one priority is the health and safety of all players, coaches, and staff. It is our hope that this will help to limit any exposure to the COVID-19 virus and maintain our members safe. DPSC encourages all to continue following health officials` instructions.

To reiterate; All DPSC scheduled games and trainings for developmental and competitive teams are suspended starting Monday, March 16 until March 29. We are expected to resume operations on Monday, March 30. Reinstatement of operations (training and games) will be based upon a recommendation of health and local authorities.

If you have any questions, please contact our headquarters

Stay safe
