VQLAN ON THE MOVE

VQLAN MISSION STATEMENT

VQLAN is a non-profit organization created to assist our Nation's veterans and their families. We have proven that our veterans were never properly informed. The information bank that Barry has created will eliminate this problem. Barry has put together a resources and information bank that is the largest anywhere. It has resources and information about VA benefits that every veteran is entitled to, information and resources about filing VA claims, housing, education, food, clothing and other services that are available to you Free.

Through networking and our resources we can stop the suffering. The information library is located at St. Ambrose Church, 9 West 130th. Street, (off 5th Ave.) Manhattan, New York and is open to all on Mondays and Wednesdays from 11:00 AM to 3:00 PM. Barry has been doing this for 30 years. Not only does he do his work at the VA but he's helping 50 or more veterans on a daily bases and this is not his job. Barry does this not for pay, but because helping people is the right thing to do.

Barry Campbell is the CEO and creator of VQLAN. He has done this with no money and great opposition from people with prejudice and separatism. VQLAN has eliminated this and will continue to keep these practices out of the Organization. We are doing GOD's work because we are the people. VQLAN is here for everyone. You don't have to be a veteran to receive help from VQLAN. We help people!

The VQLAN office is open only 8 hours a week. You can see by the VQLAN Intake Sheet info from 2007 to 2010 to see how the VQLAN Representatives work hard to do the work to assist Veterans and their families. It takes hard work and dedication to provide the information and services to America's Veterans. The biggest job for VQLAN is informing Veterans and providing the information they need to be successful in gaining VA services and benefits.
