CTA's Racial Equity Affairs Committee for the High Desert

Are there any members who would want to be part of the High Desert Service Centers (which is all the Local Unions in the High Desert combined) Racial Equity Affairs Committee (REAC)? They will choose one of you at first, but will have a list to add more. It will be a once a month meeting, virtual right now. They would like the members who want to join to be in these specific race categories African-American, Hispanic, American- Indian Alaskan Native, or Pacific Islander. I think this is a good way for the High Desert to get heard by the CTA. If you are interested email me at avuta.pres@gmail.com. You don't have to commit, if it doesn't fit you once you learn about it, then decline.
