A note from Rick: Steady markets again this week at TLA. Prices continue to remain strong as we approach the end of the "Spring Market". We've got our special feeder sale along with our special springer sale coming up this week and that will finish up what I look at as the "Spring Market". We are in a similar situation in the horse arena. Our Spring Auctions will be winding down in the next couple weeks. We've got the Riding Horse Auction on the 22nd followed by the Pony Auction on the 31st. The Seymour Sale is June 3-5. We have started construction on the new stalling building. We are very excited about this project and are doing what we can to ensure the building will be completed in time for our busy Fall schedule. In doing so, we are going to have to work around some things while we are under construction. We appreciate everyone's understanding and cooperation as we navigate through the next few months. When all is said and done, we are looking forward to offering a better, more efficient facility for our customers and are confident that it will be just that. See you at TLA!
