

Easter Basket Items Donated

The United Methodist Church of Plano collected Easter Basket supplies for children in Kendall County. Many congregation members donated baskets, grass, candy, stuffed animals, novelty toys, etc. These items were taken to Kendall County Community Food Pantry in time to fill Easter baskets for our children in the community. Working together to help those in need can only make communities stronger.

Pictured is Gerri Henze, chairperson of the Missions Team, and the many items collected through the United Methodist Church of Plano.
