From the Presidents' Desk

What do you get when you take an old pumpkin, a few white mice from the local pet store, your neighbor's dog, an old horse from the stables in Griffith Park, and throw in a fairy godmother? You get a princely carriage, with snow white horses, a servant to drive the carriage, and a liveried footman, all ready to take you to the prince's royal ball. How wonderful! Well, we did go to a ball, but it wasn't to the prince's ball and we didn't travel in this type of luxury.

What we did, however, is drive our SUV down the 405 freeway to Hawthorne, California, where we attended this year's **Presidential Ball and Dance** to honor all the

square dance clubs' presidents. We were very proud to be there as the presidents of the best square dance club, the Trail Dusters. Thank you to Terry, Renny, Nikki, Steve, Jeri & Ron and Ellen & Ilan

for joining us for the celebration and for some very fun dancing.

We should all be proud of the Trail Dusters. We have a wonderful new class of dancers who will soon be Trail Dusters. We have a marvelous new caller, teacher and mentor, Paul Waters. Our club continues to grow and prosper. We are blessed with wonderful friends, and there are a lot of great things to look forward to this year for the Trail Dusters.

One of the things to look forward to is our first **Class Level Dance** on **NOVEMBER 18th**, with our teacher, Paul Waters. As many of you know, Paul will be calling the dance with Mike Seastrom. They have been friends for many years, and they have been planning this dance for several months. I guarantee a great time for everyone. **It is important that all our new dancers attend this dance, as it is specifically designed for you.** It will be a dancing experience that will benefit what you've learned so far, expose you to another caller and his unique style, and prepare you to move on to the next level of dance. We have received many positive RSVP's, and we expect to have a very good turnout.

Of course, we also have our **November 10th Club Dance** coming up. The theme will be Veteran Appreciation, and the caller will be Rod Shuping. I encourage all Trail Dusters to give the Saturday evening dances a try. They are a lot of fun and provide us the opportunity to dance to different callers, to practice dance steps, and to meet new and interesting people. Read more details about both of these dances in the next article.

And, before you know it, we'll be taking reservations for our fantastic New Year's Eve party. It is one of the highlights of our entire year, and it is an event not to be missed – see article on page 5.

So, until next month when our letter comes out, we just want to say how proud we are to be your presidents, and we look forward to more good times together.

See you on
November 10
and Nov18.

NOVEMBER – DOUBLE THE DANCING- DOUBLE THE FUN

Wow two great dances in one month...that sure makes up for no dancing (square that is) in December.

On **Saturday, November 10th**, at our monthly club **PLUS** Level Dance our caller will be **Rod Shuping**. Rod has been calling since

1971 and was having so much fun at it that in 2008 he gave up working a day job and became a

full time caller. He is a caller with a fun, laid-back approach, using great music that can also be high energy. He strives to make every dance he calls an enjoyable event for all who attend. For an hour before and between each tip, Milo will be there to cue the round dancers as they skate, lace up, basketball turn, and slide the door around the dance floor – see flier page 14.

On **Sunday November 18th**, our club has organized a **CLASS LEVEL DANCE** with our own **Paul Waters** calling along with **Mike Seastrom** from Buckles n Bows. We encourage all club members to support both our dances and particularly ask that our Angels encourage our newest dancers to attend and then mentor them. Make sure they are in a square and that they are having fun at the dance. This is a great opportunity to show our class members the friendship, as well as fun, that square dancing provides - see flier page 15.

What is the one thing that Trail Dusters do well? If you answered EAT, then you are correct. At each event our fellow club members will provide delicious nibbles and food items to snack on for your pleasure. After all, you need to keep your energy level up so that you can go back to the dance floor.

So come out and support your club and the good times will continue to roll in the years ahead! What better way to spend a Sunday afternoon than dancing and friendship?

LAST MONTH'S GREAT PUMPKIN BALL DANCER

The Great Pumpkin Ball kicked off our October holidays of Halloween.

A few dancers came in costumes and the others came ready to

round
dance to
our own
Milo

and our
caller
Tim
Pepper.
Tim
always
has
creative

formations for us and we danced a lot in groups of three to his wonderful song choices.

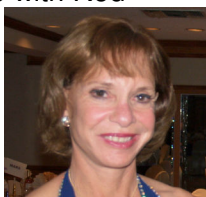

A big thanks to Charlene Klein for

the delicious refreshments and to Sandy and Robert Sobel for all their help in the kitchen. Hope to see all of you next month on Nov 10th as we have our Veteran's Appreciation Dance with Rod Shuping.

Membership Renewal

Important Reminder!!!

It's time for all of us to renew our annual membership. Current memberships expire at the end of December 2018. Renew now to keep your membership though 2019.

All membership dues need to be postmarked by November 30, 2018, so that our insurance covers all members.

The best way to renew is:

1. Print the renewal form on page 16 and fill out the required information. Please print legibly!
2. Make out a check to **Trail Dusters** for \$25 for single membership, \$50 for couple.

3. Mail the form and check to:

Ilene and Mark Abramson
4425 Estrondo Drive
Encino, CA 91436

I will also be available before class and between tips to accept membership forms and payments.

All current members must renew to maintain membership. This includes our newest Trail Dusters who graduated in June and paid half-year dues that cover the

period from July through December 2018.

We are looking forward to receiving your membership renewals. If you have any further questions, please email Mark Abramson.

EXTRA EXTRA EXTRA

A great reason to renew early!

As in previous years, we are fortunate enough to have, through the efforts of **Rusty Kaman**, two gift certificates worth \$25 each donated by Brent's Deli. They will be raffled off during class on November 7. All members who have renewed **during October** will be eligible to have their names placed in the drawing to win a Brent's certificate! There will be two winners.

Sunshine & Showers

The month of October has been a busy one for many of our Trail Duster/Rail Duster "Family" members.

For **Farryl** and **Bill Dickter**, the month began with a trip to Salt Lake City, Utah, to tend to their son Brad who suffered a torn ACL while skiing and required surgery. Thankfully, Brad is now recovering well in Salt Lake City. No sooner did the **Dickters** return home than **Farryl** took a fall in their house and broke her hip. Paramedics rushed her to the hospital where surgery was done to repair the break, and **Farryl** is now slowly but surely

getting better - with the help of hubby **Bill**, together with home nurses and physical therapists. **Farryl**, we all hope that each new day finds you feeling better and with less pain, and better able to get around. We look forward to seeing you back with us and hope it will be soon!

Two of our Trail Duster family members are presently sidelined and assisting each other as they each recover; **Dale Kaufman** is recuperating from rotator cuff surgery, and **Sandy Kaufman** is healing from a fall that resulted in her breaking her left fibula (lower leg) as well as spraining her right ankle! (NOT good timing!) We're glad to see you both still coming to class, and hope it won't be too long before you are both again back on the dance floor. Until that time, may each new day find you feeling better!

On the "sunny" side of this past month, October 15th found our long-distance members in Kingston, Ontario (Canada,) **Shirley** and **Collin Brown**, celebrating their 30th wedding anniversary! To you both, **Shirley** and **Collin**, we're sending CONGRATULATIONS and warmest wishes across the miles for another 30 years of making happy memories together! We hope you will spend some of those special times back here with us! We miss you!

Adriane and **Michael Kreisberg** are excited to announce that their Canadian grandson, Aron Pamensky, has just become engaged to Chaya Leba Silinsky. Aron, 25, has made Aliya to Israel, and is now serving in the IDF. His bride-to-be Chaya Leba, 21, was born in Jerusalem, the 8th of 9 children. She is a 3rd-year student studying architecture. The wedding will take place in

Jerusalem this coming January. Small world story as their son-in-law, Rabbi Aryeh Pamensky, studied with the bride's father over 30 years ago in Jerusalem at Aish Hatorah! The Kreisbergs are now looking forward to dancing at the wedding! Warm congratulations to you, **Adriane** and **Michael**, and to all your family. We wish everyone much happiness!

Lynn and **Joel Ovadia** are proud to announce that their youngest daughter, Elisa Ovadia, will receive her Ph.D degree in Chemical Biomolecular Engineering on November 8, 2018 from the University of Delaware. After graduating in 2013 with a Bachelor of Science degree in Chemical Engineering from UC Santa Barbara, Elisa entered a five year Ph.D program at the University of Delaware. There she worked on creating a model of the brain which involved stem cells to study the stimuli which cause Huntington's diseases, a neurological degenerative disease. Elisa has been doing cancer research to discover ways to mark cancers so our T cells in our immune system will recognize the cancer and become activated to protect our health. After graduation Elisa has accepted a research position at Kite Pharmaceutical, a subsidiary of Gilead Pharmaceutical, located in Santa Monica. To all the family, we say CONGRATULATIONS on her outstanding accomplishments! We can only wish Elisa continued success in her career!

For more than 20 years, Elizabeth Kessler (Liz,) daughter of **Pat** and **Rick Kessler**, has been a volunteer counselor at Camp Ronald McDonald for Good Times, a camp for children who are either cancer patients or cancer survivors. Located in the mountains near Idlewild, the camp

is designed to give kids a normal camping experience. While attending college, Liz went to the camp every week to work with the children. She was ultimately so moved by her experience and found it so inspiring that she decided to change her course of study and instead pursued a career in nursing! Now with her RN degree, Liz has continued to volunteer at the camp – but as a

volunteer nurse! On October 21st, Liz was honored by Barco's Nightingales Foundation (which supports children's

charities) at the Heroes for Healing Gala where she received an award for her "Nursing Excellence." Liz, we congratulate you for your dedication and achievement, and to you, **Pat and Rick**, we congratulate you for this great honor earned by your daughter!

Thank you to all the above-mentioned people who have graciously shared their "Sunshine and Showers." Hopefully, more of you will have happy occasions to celebrate – and share. I look forward to hearing from you with your details sent to me at the e-mail address below. Even if life isn't always sunny, I hope you will let me know about that as well. Remember that we are a "family" that shares – whatever the weather!

Warmly,
Rusty Kaman

JOIN US FOR A NIGHT ON THE NILE

King Tut will surely be shining anew as the Trail Dusters sail along the Nile for a fun filled Golden New Year's Eve celebration.

We've invited a dozen or so kings and pharaohs to help us ring in the new year. Join us as we revel among the pyramids and swing with the sphinx in a night filled with all the gold that glitters. The evening will be set in a wonderfully designed environment that will surely impress the most discerning Egyptian royalty.

We return to the beautiful Hilton for their usual fine dining and festive holiday ambiance. The music will keep us on our feet throughout the night as we dance and swing to our favorite tunes. We will once again partake in our annual favorite fancy feet fare from our own **Caren Blumfield** as she guides us through her rendition of the YMCA and brings out the best in us on the floor. Dance floor, that is.

New Year's Eve is on a Monday this year, so mark your calendars and plan on wearing as much gold and glitter as you can. You will be part of another Egyptian exodus as we bid farewell to 2018 and open the flood gates to 2019. A great time is guaranteed for all...and you won't even get wet!

Don't let the pyramids seal behind you. Sign up as soon as you get your invitation in November and assure your place in our history. It's going to be a biblical event.

Caren, Jeri, Marilyn & Maureen

Coordinators Corner

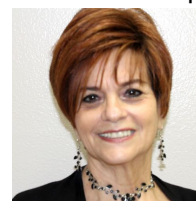

Well, our new class is now complete, which includes 13 single women, 3 single men and 4 couples.

They are as follows:

Cher Bodner, Sussy Chulef, Rona Greenstadt, Lela Heslin, Alicia Martin, Michele Minsky, Debbie Rose, Monica Shapiro, Barbara Solomon, Linda Tonkins, Diane Townsend, Sharon Wermut, Gloria Frankenberg (who has returned to Trail Dusters after a long absence), George Farbstein, Tim Nelson, Alan Shotsky, Jerry & Rose Fischkes, Marshall & Patti Goldberg, Hendon & Helene Harris, and Avi & Paula Nudell.

The Angels have gone out of their way to befriend these new additions to our "family" and the class members are blending well. There seems to be little or no problems with arriving on time and squaring up – which makes our jobs as coordinators much easier. Our new caller, Paul Waters, is a miracle man with his new (to us) method of teaching. We are averaging more than 100 participants – with smiles on their faces each week! Believe it or not, the breakdowns of our squares is so low, I feel that the club's intention to produce more qualified dancers is actually working!

Angels – Thank you! Thank you! Thank you! Without you none of this would be possible.

LET OUR DRIVE BEGIN!!!

It is with much excitement that we launch this year's **ANNUAL WISH LIST DRIVE** for the **LOS ANGELES RONALD MCDONALD HOUSE!** Every year at this time, our club reaches out into the community to help those less fortunate than ourselves. In recent years, Trail Dusters and Rail Dusters have supported RMH and have done so in a variety of ways.

We started out donating toys for the children there, but have since expanded our efforts to supplying food for the two pantries that are open to the residents 24/7, as well as dishes, pots & pans and small appliances for the kitchens, even vacuum cleaners, and last year, we turned over 75 sets of queen size bed linens and bathroom towel sets that were badly needed. In the past, our club also built a Children's Library at the House and furnished it with books written in many languages since the children come here from a multitude of countries.

For you who may not be familiar with the Ronald McDonald House, this is a "home away from home" for countless families who come from around the world seeking medical help for their critically ill children (from newborn to age 18 years,); as help is not available where they reside.

The LA House is located just one block from Children's Hospital where the majority of the children go for treatment. Some patients are hospitalized full time, while others may undergo treatment daily or several times a week, and

then they return to RMH to be with their families. There are two houses that comprise the LA House, with 75 cozy apartments in all. Some families stay for just a short time while others may reside there for as much as two years. Families are asked to pay just \$25 per night IF they can, but no one is turned away if they are unable to pay. Most of the time, the House is filled to capacity with many more on a waiting list. The children who come here are all afflicted with life-threatening illnesses and need to be near their parents. Each House includes, in addition to the private apartments, a large community kitchen where families prepare their meals and generally eat together. There are self service laundry facilities at every level in each House, there are game rooms, computer rooms and more – all serving to create a warm, comfortable and inviting atmosphere for the families while they're away from home.

This year, we've learned that the ice machine in the newer of the two Houses is no longer working. This is an item that is

used each and every day. The cost for such a machine (after much research by RMH and by us,) is just about \$2,000. Our first goal is to replace that broken down machine with a new one-much to the delight of the RMH staff!

Additionally, they are in need of mini-refrigerators to be used on loan to individual apartments.

We expect to be able to provide a good number

of these as well. Instead of just donating the cash to RMH and having them purchase the large items (which would be going to their Los Angeles address,) we have arranged to make those purchases ourselves (as your Drive Chairpersons) since we reside in Ventura County. In this way, we're able to save quite a bit of money on the tax (since tax is based upon where the item is being delivered!) We can purchase a large amount of much needed breakfast bars for their pantries just with the savings!

With YOUR help – and that means EVERYONE, Trail/Rail Dusters can once again make a HUGE difference in the quality of life for the residents of the LA Ronald McDonald House. Your donations are badly needed and will be greatly appreciated – NO MATTER WHAT THE AMOUNT! You can make a cash donation or write a **CHECK made out to us – NORM KAMAN** (since we are making all the purchases,) and you can write on the lower left corner of your check, "Donation to LA RMH."

Our Drive is now in full swing and we need YOUR support. We will be at every class and will gratefully accept whatever you are able to contribute.

Last year, our club collected \$4,147! Together, we can do it again! If you are not able to attend class, please mail your donations to:

**Rusty & Norm Kaman
2174 Ladycliff Circle
Thousand Oaks, CA 91360**

**With heartfelt thanks,
Rusty & Norm, RMH Drive Chairs**

Kitchen Korner

Dear Trail Dusters & Rail Dusters,

Our second month of the 2018-19 class is now completed and it appears that our new, and very large class, is doing just great. They are definitely learning how to square dance, and it appears from the looks on their faces that they are having a very good time. We even have several "old timers" (graduated way back) coming out to be very strong angels.

All of these changes and also lots of our single women are learning the male part - so the dance floor is mighty crowded - 12 to 13 squares.

And let us not forget - - our new caller, Paul Waters and his terrific "lesson plan" is working - very few square "breakdowns."

At the recent board meeting it was suggested that we move our "kitchen" area to the back of the room - less noisy and more room. This was put into motion immediately and is working out great.

Big thank you to DENISE KURTZER & RICHARD ROSE – new to the Board and doing a terrific job - Also, as always, big helpers SANDY & BOB SOBEL, we couldn't do it without your wonderful help each week.

Thanks to Judy Comroe for organizing and getting all of the snack contributors

Reminder, those bringing goodies.... please arrive by 6:45 with snacks plated and ready to serve & to help with set-up, and plan to help with clean-up after class.

If you are not available for your assigned week arrange to exchange with someone so that it is covered. See food list page 12.

Signing off until next month,

Ways & Means

To Trail Dusters & Rail Dusters:

We've said goodbye to Daylight Savings Time and we're about to say hello to the holidays and elections in November. With all the activities ahead we need to stay nourished with good healthy food.

That's why our pre-class dinners are so important. We're seeing about 28-34 of our dancing folks at the dinners but as always, Trail Dusters strive to do better and that will be one of our goals for November.

Our new caller, Paul, is really putting us through the paces to be our very best on the dance floor and his success is making us look great. With that in mind, we need

to be nourished, which makes our dinners that much more important. At the dinners it's fun to hear about all the new grandchildren (there are many new additions to the Trail Duster family) and share in the excitement of upcoming travels. We might need to change our name to Trail Travelers since we have so many globe trotters in our midst.

Don't forget to mark your calendars for our 5:30 Wednesday dinners.

Please take note that we'll be eating at a new restaurant this month. It is Urban Plates and has received great reviews. It's located in the same shopping center as California Pita and replaced the former Jerry's Deli.

Your participation in our dinners helps to sustain the club financially.

Here's the schedule for November, 2018.
