Sasso Marconi, 20th december 2013

The dr. **Milinko Jelovac**, member of the Cultural Association of Belgrade ([culturebelgrade@yahoo.com](mailto:culturebelgrade@yahoo.com)), represents me on the preliminary phase about the setting of the fifth national italian iconographers Meeting, who's will hold aproximately in between 15th – 25th september 2014 on the Sardinia region – Italy.

In the context of this edition, we wish to organize an Exhibition of contemporary serbian icons, aproximately in between 20th August to 25th september 2014 in the same place where the Meeting will be. A probable seat we are oriented for is the Archeological Museum in Olbia (OT) Sardinia – Italy, of course we keep open the possibility to change the seat whenever some eventual necessities will push in that direction.

The Exhibition will have an already fixed number and not more then 80 icons.

It was already presented an average budget to an Association present on the region Sardinia territory, that's looking for the Exhibition fundraising.

The Contacts dr. Jelovac is weaving with different serbian institution, reach the target to find the icons necessary to build up the Exhibition. He owns every autonomy from my side about this field.

For the Meeting organization
