FASNY CONVENTION

AUGUST 9-12 | SYRACUSE, NY

FEATURING KEYNOTE SPEAKER

CHIEF BOBBY HALTON

Editor in Chief, *Fire Engineering* Magazine

FRIDAY, AUGUST 10

FASNY is proud to welcome Chief Bobby Halton (Ret.), Editor in Chief of *Fire Engineering* magazine, as our keynote speaker at Convention 2018.

Chief Halton is a native New Yorker who began his career with the Albuquerque (New Mexico) Fire Department. He was Chief of Operations upon his retirement from Albuquerque in 2004 and then became Chief of the Coppell (Texas) Fire Department.

He is a graduate of the University of New Mexico and a member of the International Association of Fire Fighters and the International Association of Fire Chiefs. In addition to being the Education Director of the Fire Department Instructors Conference (FDIC), he has also served on several NFPA technical committees and is active with the National Fallen Firefighters Life Safety Initiatives program. Chief Halton is a respected and sought after speaker throughout the national and international fire service.
