

Pennypickle's Workshop is the home of Professor Phineas T. Pennypickle, Ph.D., scientist, time traveler and inventor of wacky and wonderful contraptions that amaze, delight, and educate children and adults alike. Every surface is occupied by pulleys, gears, cables, blueprints and stuff. There are secret passageways and puzzles, machines and gizmos. Professor Pennypickle and his faithful little mouse friend, Beaker, have lots of fun activities planned for you every month (and sometimes they are a surprise... there are WAY too many exciting happenings to list here!). Be sure to call the Professor's hotline at (951) 308-6376, or check his website at pennypickles.org for detailed information or to purchase advance tickets. Children must be accompanied by an adult.

Amazing HOLIDAY Events at the Workshop!

PROFESSOR'S MAGICAL OPEN HOUSE

Friday, November 29, 3:00-6:00pm

Fee: Regular Admission to the Workshop

The excitement builds as we wait for Santa's arrival at 6:00pm! Enjoy our Magical Holiday Open House where you can make memories while you wait for the big guy. Admission includes a refreshment, access to the Express VIP line, crafts, experiments, and surprises!

SANTA'S ARRIVAL

Friday, November 29, 6:00pm

The Professor lets his old friend borrow his comfy cottage just so you can visit him in an old-fashioned, non-commercial setting. After his grand entrance on Friday, November 29, Santa will be in his cottage on weekends from Saturday, November 30 to Sunday, December 22. He will NOT be available on Friday, December 6, since he is the special guest at the City of Temecula's

Santa's Electric Light Parade that evening!

Hours to visit Santa are:

Fridays, 6-9pm; Saturdays, 10am-2pm; Sundays, 1-5pm

PENNYPICKLE'S SHOPPING SPREE

Sunday, December 1, 12:30-5:00pm

Fee: No charge; regular admission to the Workshop

Looking for that different gift for your favorite loved one? Pennypickle's Workshop is an awesome place to visit and discover science through play, but the gift shop is every bit as fun. We have a great selection of really unique gifts and stocking stuffers that appeal to kids of ALL ages. On this day only we will be offering surprise discounts, gift with purchase, and other goodies, so come shop and have a magical experience.

HOLIDAY KIDS ONLY CLUB

Ages: 5-11ish

Kids Only Club are drop off events for children only. We do lots of fun filled science activities, and YOU get to have a couple of hours to yourself! Early pre-registration is suggested as space is limited; call (951) 308-6376 for more information and to reserve your spot.

Winter at Hogwarts Lab

Wednesday, December 4, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

All of the Professors at Hogwarts are excited to share their most wizarding winter wonders with you! We are told there will be lots of ice and snow involved in their magical experimentations. Be sure to dress in your robes (or lab coats) and prepare to be enchanted.

Make-A-Gift Lab

Wednesday, December 11, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

This is the perfect opportunity to create a holiday gift for their special family member. Creative, easy to assemble project for each child to complete and take home. Their special gift will be gift wrapped and ready to put under the tree.

Santa's Extravaganza

Wednesday, December 18, 3:00-5:00pm

Fee: \$30/child (includes snack and drink)

Let your child spend quality time one-on-one with Santa! Be sure you pre-register in advance. There will be lots of hands on activities and crafts for everyone to enjoy.

NEW YEAR'S EVE AT NOON

Tuesday, December 31 11:00am-12:30pm

Fee: \$10/person over 18 months

Celebrate the New Year Pennypickle-style...at noon instead of midnight! You won't want to miss the Professor's VERY special party for those too young to stay up late. Reserve your spots now at (951) 308-6376 - this event always sells out. The Workshop will be closed the rest of the day.

Explore Science with Professor Pennypickle!

KIDS ONLY CLUB

Ages: 5-11ish

1st & 3rd Wednesday of every month

Kids Only Club are drop off events for children only. We do lots of fun filled science activities, and YOU get to have a couple of hours to yourself! Early pre-registration is suggested as space is limited; call (951) 308-6376 for more information and to reserve your spot. *FREE Lab Gear set when you pre-register for 6 or more Labs!*

Mini Universe Lab - Nano Science

Wednesday, November 20, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

There will be some serious fun going on with teeny, tiny science exploration. We'll be making some cool mini objects to play with and we'll bring out microscopes to view teeny, tiny nano science and other cool stuff.

Space Explorer Lab

Wednesday, January 15, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

You'll feel like you're becoming a real astronaut when you start doing science like packing a space telescope, discovering impact craters, playing the Mars Rover game, and messing around with other space-oriented experiments. Join us for an afternoon out of this world!

Anatomy, the Human Body Lab

Wednesday, February 5, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

Hmmm, this could go in many different directions! Something tells us it's not gonna be the hearts-and-flowers-romantic-goopy kind of science...well, maybe the goopy part. And definitely the hearts-and-body-parts part. It will be lots of fun!

ChemMysteries Lab

Wednesday, February 19, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

This is the most fun you'll ever have when you mix chemistry and...dare we say?...mysterious forces! You'll for sure want to wear a lab coat to this one because who knows what mischief we'll be getting into.

Playing with Paper Lab

Wednesday, March 4, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

Well, the Professor is at it again - building toys out of...paper??? Join us and find out how much fun it is to play with paper!

Ooey Goopy Lab

Wednesday, March 18, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

Gooley? Yes!!! Messy? Probably! But isn't that what makes science fun? We'll "mess" with different kinds of polymers to see what makes slime work and how your very own concoction is really the best.

Engineering & Architect Lab

Wednesday, April 1, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

Love to build? Then don't miss the fun as we play with construction and designing stuff. Maybe you'll even give us ideas for new contraptions to feature at the Workshop!

Under the Sea Lab

Wednesday, April 15, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

DID YOU KNOW Coral reefs are home to about 25% of all ocean organisms even though they cover less than 1% of the ocean floor? Have you seen the ocean water under a microscope? Join us and learn more about the ocean, coral reefs, ocean animals like sharks, rays, sea turtles, and many more.

Discover Science through Play!

"DINO-Mite" Fossil Lab

Wednesday, May 6, 3:00-5:00pm

Fee: \$28/child (includes snack and drink)

Come join us as we time-travel into prehistoric times to play with dinosaurs and fossils. Your little Paleontologist will set off on a dig for petrified eggs to discover any skeletons, fossils, or possible DNA, will mess around with primordial artifacts, and will make a special specimen to bring back to this time period. The adventure awaits!

Scientist-in-Training Lab

Wednesday, May 20, 3:00-5:00pm

Fee: \$30/child (includes snack and drink)

Ok, you like to watch experiments, but don't you also like to DO them? Well, you need some special instructions if you want to be a scientist like the Professor's Assistants! We'll have to be sure you have a lab coat and goggles (lab gear will be provided), and then the fun will begin!! (Parents, you'll want to take pictures when you pick them up!).

PENNYPICKLE'S BIRTHDAY BASH

Sunday, February 9, All Sessions; free with regular admission

It's the Professor's birthday and his assistants (and Beaker!) are throwing him a party and YOU are invited. There will be lots of fun and surprises at the best and most birthday party of the year!

SCOUTING GROUP FIELD TRIPS

Your scout (Boys or Girls) or home school group can join us to help fulfill their badge or curriculum requirements while having a great time at the Workshop! Science Labs will be held from 3:15-4:30pm on a date of your choosing (based on availability) groups can stay to play until closing time at 5pm. Each group is required to have 6 or more members - you may be placed with another group in a Lab if there are less than a total of 20 children in a class and there are multiple requests for that day. The charge is \$12.50 per child; scout leaders, parents and extra siblings (who may not stay in the Lab but can play in the Workshop with their adult) pay current admission rate. YOU MUST PRE-REGISTER by calling (951) 308-6376. The following subjects are available at this time:

Girl Scouts Space Science Badge Lab

Nano Science Lab

Let's Do Chemistry
