President’s Corner

This year I missed the Rocky Mountain Mustang roundup. I had hoped to have my Mach 1 ready for the event to show the world what I’d been doing for the past seven years. The best laid plans of mice and men, and all that.

My first Roundup was back in 2007. A friend asked me if I would please drive his 1967 GT drop-top to the event. Well, since he said please and all, I sucked it up and, with hat and sunglasses, enjoyed the Rocky Mountains like I had never seen them before. Oh yes, I kept the top down for the entire event. “This is a convertible, man!”

Since that first trip, I attended an additional, four Roundups. Alas, this year was not to be. My friend has since sold his convertible, but attended the roundup with his son this year. He tells me there are big changes coming. Word has it for 2019, the Saturday show will not be on Main Street, but on nearby Yampa. And after that, Steamboat will host the roundup no more. There’s talk of Aspen as a future destination. Yeah, I too am concerned about trying to hold a car event in a town where the millionaires are being pushed out by the billionaires.

I’m hoping this is all nothing more than rumors. Has anyone else heard of big changes ahead for the Rocky Mountain Mustang Roundup? I’m glad I was able to attend past events, but my dreams of finally showing my own project car on Main Street may be dashed.

On the local front, the Mustangers picnic is coming up in August. Don't forget to bring your car, your kids and anyone else you want to be photographed for our "Coffee Table Book". Shannon will serve as our photographer. She can help you with any kind of picture package you like.

Jamie Case is putting together a "Women, Wine and Wheels" event for this summer. As the title suggests, this will be a ladies outing. Thus far, the plan is to meet on the west side of town and convoy to Colorado Wines for food, fun and, well, wine. We hope to firm up a date at the July club meeting.

For the guys, we're kicking around the idea of holding our club Swap Meet on the same day as the ladies event. Get those parts together and make room for more parts! After all, this is a "Swap".

As you have likely heard, we lost our venue for the annual club Christmas Party. Sarge's Grill has shut their doors and is no more. I've been asking around and haven't yet landed a new venue. I did check out Mimi's Cafe, but it appears their party room is too small to accommodate us. I'm open to suggestions, so please send them to me in email.

Club Meeting Minutes (June Meeting)

The meeting was called to order at 6:37 PM

Guests were introduced.

The minutes of the last meeting were read.

The treasurer's report was given.

OLD BUSINESS

Mike announced that due to an upcoming surgery, he would not be able to hold the swap meet. He could possibly pick it up later on, however if someone else would be willing to host the meet that would be great.

The First Saturday Car Show that our club hosted this month turned out great. We had over 20 member cars show up and lots of other cool cars were there as well. It was a great time for a show as it started early and was over by 10 AM. There was a lot of interest in our club and several applications were given out.

The T-shirt order from Land's End has been more complicated than was expected. Because of this the order has not been sent in yet. We will be looking into having All American Sports as an option for getting the shirts done for us. We may have to recreate the club logo.

NEW BUSINESS

Pat suggested putting an e-mail list together for those going to the Rocky Mountain Mustang Roundup. This would help coordinate the trip up and any other activities members might want to do together while they are up there.

We have invited a gentleman from American National Insurance to give a presentation at our July meeting.

Steve suggested doing something like a cruise on June 16th for those members that are not going to the roundup. Possible destinations could be the Brewery, or Sonic in Woodland Park. Please let him know if you have any other ideas.

Marc and Mike spoke about the PPIR Time Attack series. Costs are as follows: \$10 to observe. \$20 to ride. \$10 for helmet rental. \$50 to drive your car

Steve reminded everyone that he would like ideas for cruises, anywhere, anytime, any day, he will organize it. Ross thought maybe doing something like miniature golf would be fun, or going to PJ Fizzies where they have already expressed an interest in our going there, and are willing to give us a club discount.

Reed went over a list of upcoming events. He also suggested trying to put together a baseball game night again and hope it doesn't rain.

Hoofbeats

Our Dino Day is set up for September 22nd.

The picnic will be August 18th at Metcalf Park. If there are any menu ideas, please let Reed know.

Cars and Parts were announced.

The door prize drawing was held.

The meeting was adjourned at 7:10 PM.

Club Clothing

There are two sources of club clothing: Graffi-T's Screen Printing and More, and Lands' End. Graffi-Ts is located in the Springs and provides silkscreened clothing. Lands' End is available online and provides their clothing embroidered with the club's logo.

Graffi-Ts

Graffi-T will provide club clothing that includes the Mustangers logo on the left chest and the running horses across the back. The long sleeve garments also include a left and right sleeve print. The colors that work best with our logos are: white, light grays, light blues, pinks, light greens, yellows, red, tans, and orange. The available styles are: sweatshirts, hoodies, long sleeve t-shirts, short sleeve t-shirts, and ladies v-neck t-shirts. A minimum order of 24 or more pieces in mixed styles, colors and sizes is required. In order to meet the minimum order quantity, the club accumulates individual member requests until the minimum quantity is met, then places an order. There are shirts available from previous club orders. Please contact the Club Treasurer about clothing currently in the club's shirt inventory.

Lands' End

Rocky Mountain Mustangers stitched-logo apparel is available from Lands' End. Use this link [Lands' End](#) to access the club's Lands' End website to place an order. The logo is shown below. Clothing items include shirts, sweaters, blazers, jackets, and caps.:

The cost of an item is the cost to apply the logo to the item you select (\$8.50) plus the cost of the item itself, and shipping (typically \$9.95 for multiple items). There is no minimum quantity; orders may be placed for single items. The time from placing the order to receiving it is typically three weeks.
