12 effective on the first day that the change in duties become effective.

20 HOURLY RATES AND PERIOD SUBSTITUTION PER ARTICLE 15

21 Hourly Rate: \$40.46 effective July 1, 2018

22           A.       All positions mentioned in Appendix C are certificated bargaining unit  
23 positions. This has been established by past practice and by contractual agreement.

24           B.       The District will make every effort to hire the most qualified  
25 certificated person to fill these positions.

26           C.       For those positions in Appendix C that do not legally require  
27 certification (coaches), the District may hire a qualified non-certificated person if no qualified  
28 certificated person has applied.

29           D.       All openings for vacant or newly created Appendix C positions shall be  
30 advertised and posted at each school.

1 ROTC STAFF “STIPEND ADJUSTMENTS”

2           Whereas, members of the ROTC staff have, by long-standing past practice, received  
3 their cost-of-living salary adjustments on the basis of the Department of Defense adjustment  
4 which is usually established in January of each year, and

5           Whereas, the FTA has agreed that this practice is acceptable given the unique salary  
6 structure which must be used for compensation of ROTC staff members and the unique work  
7 year for these employees, and

8           Whereas, the “stipend” portion of salary received by ROTC members was  
9 established as an offset to net income losses which would otherwise be experienced by ROTC  
10 staff when they accept this position, and

11           Whereas, the “stipend” portion of salary has not been adjusted by annual cost-of-  
12 living adjustments through what appears to be an oversight or misunderstanding by all parties.

13 Now, therefore, it is agreed and understood by the parties as follows:

14           A. Effective July 1, 1998, the “stipend” portion of ROTC staff members’ salaries  
15 will be adjusted from \$6,000 to \$6,600 annually for Associate Instructors and from \$7,200 to  
16 \$7,920 annually for Instructors.

17           B. The “stipend” portion of salary shall be adjusted annually at the same rate as the  
18 Department of Defense cost-of-living adjustment which is applied to the salary pursuant to  
19 notification from the Department of Defense.

20  
21 COMBINATION CLASS STIPEND

22           A. Effective July 1, 2018, the stipend for bargaining unit member teaching  
23 elementary school combination classes pursuant to Article 14, Sections 14.4.2 shall be \$596.00  
24 annually.
