

Cheryl Schenck

Beginning Free Motion Quilting

Step into the world of free motion quilting! In this class you'll learn to baste your quilt and use a walking foot, but the focus will be on free motion quilting. Learn several different patterns suitable for beginners. With a little practice, you'll be quilting those unfinished projects in no time. Let's start turning those tops into quilts!

You can find Cheryl at <http://www.unspooledwi.com>.
