Scholarship Update

The scholarship committee met on July 7th to review this year's applications. Eleven applicants have been awarded scholarships totaling \$6,500.00. Thank you to Scott Conti and Providence & Worcester Railroad for hosting the train ride to the zoo again this year. The proceeds are generously donated to us for our scholarships and we couldn't do it without you.

If you are thinking about making changes in your membership, please contact Scott Conti as he will provide the details to International and Regional Kiwanis prior to October 2015.

Happy Birthday
