Course Overview:

Successful salespeople aren't born; they learn the skills they need through education, trial and error. The skills that set a "Razor Sharp" sales professional apart from an amateur is that a "Razor Sharp" sales professional can sell anything. Why? Simply put...the basic fundamental principles of great sales leaders are the same whether you are selling vacuum cleaners, used cars or multi million dollar projects.

Once you understand these basic fundamental concepts and start applying them in your own sales career, you will immediately see a difference in your profits. These techniques change how you sell because you are developing the mindset, work ethic and knowledge catering to your customer's needs
