

## 1986 Honda 1200 SEI

For sale, a 1986 Honda GL 1200 Aspencade special edition, fuel injected, 66,500 miles. The photos do not do this bike justice for its age; it is in excellent condition mechanically and cosmetically.

The special edition model 1200 came with on board air ride suspension, front and rear, with manual or automatic ride control features, on board trip computer, CB radio, AM/FM radio and cassette player. The stator was recently replaced with a new voltage regulator and rectifier and all of the wiring was updated with soldered connections and heat shrink. There is very little scratches or dings in the ivory with gray inlay paint, the chrome is in good condition, the front forks has no discoloration, the bike has been garage kept and adult ridden for the last 27 years, this is truly a collector's bike.

Sale price \$5,000.00 obo, clear Texas title in hand, can deliver.

No trades, no test rides and no pay pals.
